FIREMEN ARE SILHOUETTED by flames at a fire Thursday evening in the 1600 block of Third Street, Madison. The blaze destroyed three homes and heat from the fire

damaged others. Nine people became homeless in a matter of minutes. Madison, Venice and Granite City firemen responded and fought the fire for nearly five hours.

Fire leaves 9 homeless

By MICK STRANGE
of the Press-Record

A fire at 9:38 p.m. Thursday destroyed three homes in Madison, leaving nine persons homeless.

The three destroyed houses are located at 1656, 1657, and 1658 Third St. Mrs. Shirley Jordan, her elderly father and her six children, ranging in age from five to 19, lived at 1655 Third St. and lost all their clothing, furniture and food.

Mrs. Opal Fogle, a widow who resided alone at 1659 Third St., was staying with relatives at the time and also lost most of her belongings. The residence at 1657 Third is described as the property of Willie Radman and was vacant.

The fire is thought to have started in the vacant house. The flames leaped at least 40 feet into the air and could be seen as far away as Fourth Street and Lincoln Avenue in Venice.

Aaron is suspected and an investigation is being conducted by the Illinois fire marshal's office. There had been vandalism and a previous fire at the unboarded vacant building.

Firemen reported intense heat that scorched neighboring houses Thursday night. Three firefighters narrowly escaped injury when the back wall of one of the destroyed homes collapsed. The Madison firemen were assisted in fighting the blaze by the Granite City and Venice fire departments.

In addition to the Madison fire department's two pumps and rescue truck, the Granite City fire department sent an aerial truck and a pumper and Venice firefighters sent a pumper. Venice police assisted Madison police in controlling traffic and a large crowd of people that gathered to watch.

Firemen fought the fire for nearly five hours, returning to their stations at 2:40 a.m. Friday only to be recalled to the scene from 3 a.m. until 3:30 a.m. when the house at 1659 Third St. rekindled.

The Jordan family is said to be on welfare and cannot receive help from the local Red Cross one to four family burnout program under a new United Way policy, except from the UW Clothing, Furniture and Food Pantry

Exchange at the Coordinated Youth building, authorities said.

The family is to receive a disaster check, but a community social worker said the welfare disaster check will not come close to covering the loss.

When the fire began, one child was taking a bath and two of the young children were in their pajamas preparing to go to bed.

The flames spread so rapidly that the family members had to escape wearing only what they had on at the time. One of the Jordan children ran to the home of a neighbor, who telephoned firemen.

The youngsters attend the Harris and Middle schools and Madison High School.

The Jordan family, which had resided on Third Street for the past five years, is residing temporarily with her mother, Mrs. Esther Tucker, on Fourth Street, Madison. Mrs. Fogle is staying with a sister.

Uncertainty on truck plant

Uncertainty continues regarding a new Datsun truck assembly plant, despite the Nissan Motor Company's announcement Thursday that it will start producing Datsun pickup trucks in the U. S. in 1983.

Nissan, second largest automaker in Japan, said the \$300 million plant will be located either in the Great Lakes region or in the Southeast. There had been intense speculation that the firm would pick one of two local sites of more than 400 acres in the vicinity of Interstate 270 and Highway Three.

Whether this area is being defined

broadly as in the Great Lakes area is unknown.

Governor James R. Thompson and other Illinois officials have made several trips to Japan to confer with Nissan officials and representatives of other Japanese auto firms to encourage them to locate new facilities in this state.

The new plant will employ 2,200 auto workers and produce trucks at a rate of 10,000 a month, the number Datsun currently exports to the U. S.

It will be an integrated plant, with operations ranging from stamping to

frame welding, body assembly, painting and final assembly.

State government officials voiced optimism Friday that the truck plant will be built in Illinois.

Thompson sent telegrams to company officials "reiterating my willingness to work with your people in the final site selection," Sylvia Dennen, an aide to the governor, said. "There's no question we're in the running."

Little later, Datsun pickup trucks will be produced, Nissan President

Rail workshop in Venice today

An informational workshop is in progress today through 5 p.m. at the Council Chambers in the Venice City Hall, Broadway and Klein Street, on the St. Louis Metro Area Rail Gateway Enterprise (MARGE).

The comprehensive railroad consolidation plan is intended to improve rail service, reduce auto-train crossing problems, and provide opportunities to reuse non-productive railroad land.

Alternative ways to achieve these goals are being studied.

At workshops like the one in Venice today, the MARGE staff is explaining the program and listening to citizens' and groups' comments.

Informational meetings also are planned at the Brooklyn Civic Center tomorrow from 9 a.m. to 5 p.m.; at the St. Louis Fellowship Center, 1121 N. 9th St. Wednesday; and at the Centerville City Hall, 5800 Bond Ave., Monday, April 28.

Consolidation plans call for improving existing Madison yards, revamping the Alton & Southern Railroad's Gateway yard south of East St. Louis, and building a new rail yard at National City.

A draft of the environmental impact statement is to be completed by the end of this year, followed by detailed design and engineering work and then construction starting in late 1982 or early 1983.

Completion is planned by 1988 after an expenditure exceeding \$300 million.

Crime-curb fund cutoff

It now appears certain that President Carter intends to terminate the federal anti-crime grant program known for nearly 12 years as the Law Enforcement Assistance Administration, a spokesman for the Southwestern Illinois Law Enforcement Commission said Friday.

The president's revised budget, sent to Congress March 31, eliminated all funds for LEAA grants to states and local governments.

"In the entire revised budget, LEAA was the only agency singled out for dismantling. This action will amount to a reduction of approximately \$420 million from the total federal budget of over \$600 billion," the spokesman commented.

The nation's commitment to a federal-state-local coordinated anti-

crime program is the real victim.

"Local county and city law enforcement agencies will be the first to feel the impact if the proposed cuts are finally approved by Congress later this year."

"Since 1969, 244 federal crime-fighting grants totaling in excess of \$10.7 million have been made to local agencies in the Southwestern Illinois Law Enforcement Commission Counties of Bond, Clinton, Madison, Monroe, Randolph, St. Clair and Washington."

"Grants have provided assistance to local justice system agencies for improving police, prosecution, defense, courts, and corrections."

"In addition, there have been significant commitments made by local governments since the program was

enacted in 1968. New methods have been developed, management systems have been improved, and personnel have been better trained and equipped."

"Federal-state grants plus local funds have provided virtually all of the in-service training for local law enforcement officers since 1973. Radio communications capabilities have been enhanced by grant funding."

"Police and sheriffs' departments have also used grant funds to improve patrol and investigative capabilities."

"A multi-jurisdictional drug enforcement unit, MEGSI, the Metropolitan Enforcement Group of Southwestern Illinois, was created and organized and is now fully supported by state and local funds."

"State's attorneys and public

Aided by state-set cost factors regarding various kinds of residential and commercial buildings, and utilizing exact size, design and construction data, the assessor's extensively-trained staff seeks to mathematically arrive at valuations rather than settling for "guess-timates."

With the elimination of all taxes on personal property, Cruse and his aides have been able to concentrate on the 13,000 parcels of real estate that make up the Granite City property tax base.

"The massive revaluation of real estate in Granite City Township is entering its final stage, and we are trying to complete the project by June 1," Cruse says in noting the progress on a "thermometer" chart on an office wall at the assessor department on the ground floor of the City Hall.

"The review phase has been completed. This involved final checking, in which the taxpayer was given an opportunity to check his property record card to see if there were any questions in regard to the data we had compiled for each parcel of property."

"The next step is to pick up real estate changes and new construction. The values will be finalized for all property. Then we hope, if time permits, to give property owners the opportunity to appeal their values."

Savings on school health insurance

Savings are being
achieved by Granite City
schools through a self-
insured employee health
plan, the Board of Education
was informed last week.

Dale C. Rea, assistant to
the superintendent, related
that "in the December 1979
report to the board concern-
ing the calculation of
premium rates for 1980, we
indicated that Great-West
had used a 12-month figure
from Nov. 1, 1978, through
Oct. 31, 1979.

"This figure was used in
projecting experience for
1980 and also for determi-
nation of the attachment
point.

"We indicated at that time
that we felt the 12-month
figure of \$733,000 was con-
servative, and that a figure
of \$747,000 would be more
accurate.

"The actual November
and December paid claims
figures are now available
and show total claims paid in
1979 of approximately
\$759,000. This is an increase
in benefits paid over 1978 of
\$132,000, or 21 percent."

"In 1978, health premiums
paid Great-West totaled
\$809,782. In 1979, benefits
paid were \$759,000, the ad-
ministrative service fee was
\$26,808 and the premium for
stop-loss coverage was \$3,008
for a total of \$788,816.

"For purposes of com-
parison, the saving of \$20,966
is valid.

"While this figure in itself
is not overly impressive, it
becomes more impressive
when it is recognized that
1979 costs are being com-
pared to 1978 costs and that,
in the previous four-year

period, premium cost in-
creased 11 percent on the
average.

"The 11 percent yearly
increase is conservative,
since in the past eight years
we have experienced annual
increases of 20 percent and
37 percent. An 11 percent
increase over our 1978
premium would have been
\$89,078.

"Consideration must be
given to this figure as well as
the \$20,966 in assessing the
program," Rea commented.

"Since the 1978 premiums
averaged \$67,482 monthly,
we estimated that \$65,000 per
month would be an adequate
deposit to the agent account
at Granite City Trust and
Savings. Funds are trans-
ferred from this account to
the checking account as
benefit payments are made.

"A reserve was
automatically created in the
account, since in the first two
months all payments were
against 1978 charges and
were made by Great-West
from existing reserves from
our former plan. In all,
approximately \$161,000 in
benefits were paid in this
manner.

"Funds held in the agency
account were invested and
earned \$13,108 in interest,
resulting in additional
savings through the plan of
\$12,056 after deducting the
agent fee of \$1,112 paid to the
bank.

"At the end of the year, the
agent account contained a
balance of \$217,682, which is
slightly less than the
reserves formerly held by
Great-West for our account.

"It seems reasonable to
say that the self-insurance
plan has resulted in
estimated savings of about
\$122,098 to the district.

"Of this, \$20,966 is an
actual cost reduction in cash
outlay from 1978 to 1979;
\$89,076 results from the
avoidance of a conserva-
tively estimated
premium increase; and
\$12,056 is interest earned on
district-held reserves.

"Using the 1978 paid
premium for comparison,
the above figure represents a
15 percent saving in plan
operation.

"From a cash flow stand-
point, the immediate gains of
the self-insured plan are
dramatic, but not
representative of long-term
savings. In addition to the
actual premium savings
indicated above, substantial
reserves are to be returned
by Great-West.

"Our former plan with
Great-West was experience-
rated, which means that
the retention factor are
deducted from paid
premiums, the remaining
amount is a refund.

"Because we had reduced
monthly premium payments
through a reciprocal reserve
agreement, this amount
according to terms of the
agreement was to be held by

Great-West until existing
claims were liquidated, or
one year.

"This account presently
contains about \$111,000.
Actual health reserves which
were at \$239,000 on Jan. 1,
1979, have now been reduced
to approximately \$70,000 by
payment of charges incurred
in 1978.

"We are asking return of
these funds at the earliest
date possible. The return of
these funds gives an added
saving then of about \$180,000
for the first year of the plan.
This saving, however, is a
one-time thing.

"In a final summarization,
total expenditures for all
health insurance costs in
1979 are approximately
\$21,000 less than 1978
premium payments.

"Additionally, the school
district is almost \$400,000
better off, considering the
\$218,000 held in the reserve
account on which interest
can be earned, and the ap-
proximately \$180,000 due
from Great-West in return of
reserves."

"The board and ad-
ministration congratulated
Business Director Tully
Huebner and Rea on the
handling of the health in-
surance program.

Cost cuts help General Steel stay profitable

General Steel Industries
had net income before tax
credit of \$1,055,000, or 34
cents per share of common
stock, for the three months
ended March 31, compared
with \$1,051,000, or 33 cents
per share for the first
quarter of 1979. J. A. Van
Sant, president and chief
executive officer, told the
annual meeting of
shareholders Thursday.

The tax credit included in
GSI's income statements for
both periods represents tax
benefits of losses and ex-
penditures related to
discontinued operations.
GSI had net income after
the tax credit of \$1,075,000,
or 35 cents per share of com-
mon stock, for the first
quarter of 1980 compared
with \$1,050,000, or 32 cents
per share for the first
quarter last year.

Net sales and other
revenues of the diversified
manufacturing company
were \$20,998,000 for the first
quarter this year compared
with \$20,621,000 in the first
quarter 1979.

Van Sant told the annual
meeting, "GSI effectively
matched the net income of
the strong first quarter a
year ago on approximately
equal sales.

"Under present con-
ditions, this is a good
achievement and our
division management
deserves credit for cost

economies to counter-act
strong margin pressures
created by further increases
in the cost of fuel, labor and
raw materials.

"There was some so-
fening in markets, and two of
our manufacturing divisions
operated at reduced levels
during the first quarter of
this year. However, the
demand from markets
supplied by most units held
up satisfactorily during the
first quarter of 1980.

"Business in our basic
industrial markets so far in
1980 is not as bad as the
overall economic outlook
might indicate.

"The order backlog for our
manufacturing divisions
stood at \$30,677,000 on March
31, 1980, compared with
\$26,523,000 at the end of the
first quarter last year.

"Looking ahead to the
remainder of this year, we
see ongoing difficulties and
pressures with respect to
maintaining profit margins.

"In the face of this,
divisions are operating
under the most stringent cost
reduction programs we have
ever instituted, and a lot will
depend on the results of our
general managers' cost
control efforts.

"While it appears now that
a downturn in demand for
industrial equipment and
products may be at hand, our

markets remain viable.

"Barring unexpected
circumstances, we are
confident of profitable
operations in all units in
1980."

Capital spending this year
is expected to exceed the \$4.8
million invested last year
because of new plant ad-
ditions.

The company is continuing
an acquisition and growth
program in spite of the
unfavorable interest rates at
this time.

The annual meeting of
shareholders was held in St.
Louis. GSI formerly
headquartered in Granite
City, operates 17 plants in
the U.S. and Canada which
provide equipment and
services to producers of
basic raw materials and a

wide range of industrial
markets.

Operating divisions are
National Roll at Pittsburgh;
Simplicity Engineering at
Dearborn, Mich.; and Flex-
o-lite, GSI Engineering,
Ludlow-Saylor and Standard
Pipeprotection, all in the St.
Louis area.

Bus usage, costs rise

"Why is Bi-State raising bus fares?" repeats Bi-State Development Agency Executive Director Charles G. Houghton in response to a bus rider's question.

"Because the demand for service exceeds the money available to supply that service. Next year, due to rising costs, Bi-State faces an \$11 million shortfall in operating funds. Just like any business, we must operate with a balanced budget," Houghton explains.

Bill Wilson, general manager of transit, adds, "even with a fare increase, Bi-State is still the best transportation bargain around town."

"With inflation and the energy crisis affecting everyone, bus service is playing an ever greater role in meeting the transportation needs of the public."

"We face rapidly increasing operational costs. Buses run on diesel fuel, and our cost per gallon for that fuel went from 40 cents to 90 cents a gallon in just over a year and a half."

"Our alternatives are to increase income or cut service. Cutting service doesn't make sense when the demand for that service is growing daily."

Bi-State had an increase in passenger trips of almost 10 million in 1979 over the previous year, the official added, commenting:

"St. Louis presently has one of the lowest fare structures of any bus system in the country. The proposed fare increase will provide funds to cover 1981 shortfall and will allow those who ride the bus to pay more of the actual cost of their transportation."

"Presently, fares paid by our passengers account for only 17 percent of the operating costs of the Bi-State transit system," Wilson said. "The new fares should bring that percentage up to around 30 percent, which still means that 70 percent of the cost for service must be subsidized."

"The basic local fare in Dallas, Chicago, and Pittsburgh is 60 cents, with those fares accounting for 60, 50 and 40 percent of operating expenses, respectively."

"In Detroit and Los Angeles, where the basic fare is 55 cents, the percentages of fare box receipts to operating expenses are 42 and 38 percent."

"Major cities which have a basic fare of 50 cents include

New York City, Philadelphia, Buffalo, Milwaukee and Indianapolis. The percentages of fare box receipts to operating expenses in those cities range from 47.5 to 57."

"The subsidy Bi-State receives from St. Louis City and County, the State of Illinois and the federal government has enabled us to forestall any fare increases for the last seven years," Wilson said.

"But inflation and energy costs have finally taken their toll. Even with all subsidy sources providing the maximum funds available, the total will fall far short of the expected operating costs in 1981."

The proposed fare structure under consideration asks for a 50-cent base fare for adults, a 25-cent base fare for children, and no zone charges.

A special commuter fare of 75 cents will be charged on express and rapid lines. Transfers will be 10 cents for regular and student fares.

The elderly and handicapped will receive free transfers and will pay 25 cents during off-peak hours. During peak hours, 6-9 a.m. and 4-6 p.m., their fare will be 50 cents.

A weekly pass, good for local service only, will be \$7. A weekly commuter pass will be available for \$7.50. Students in both Missouri and Illinois will pay \$2.50 for their student tickets.

Superpass, a summer pass for young people, will be \$3. Special services to the Municipal Opera, Six Flags and Fairmount Race Track are proposed at \$1.50.

A series of eight public hearings on the proposed fare changes will be held during the week of May 12-16 at locations throughout the area served by Bi-State, including Granite City's Township Building at 7 p.m. May 13.

"We sincerely want constructive input on the proposed fare structure and its implementation, and that input must come from the people we serve," Houghton concludes.

CAR BURGLARIZED

According to Curry, older generations of Americans are the primary means to the secrets of preserving wild food.

Curry, who has been involved in learning and teaching wild foods for 15 years, will describe the

values they have in bridging the "generation gap," in contributing to possible community survival, and in developing "a useful, healthy and pleasant hobby."

He will also conduct a short "gathering" walk around SIUE's University Center.

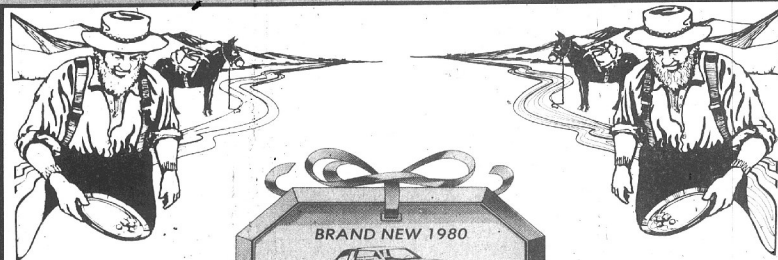

The free program will begin at 1:30 p.m. in the center's Mississippi Room, and is open to all senior citizens in this region.

portunity to attend informal hearings if they have uncertainties about the accuracy or fairness of their new values.

"Any evidence presented by taxpayers that may affect their appraised value will be rechecked, and the taxpayer notified of the result by mail.

"The object of the equalization is to record current values for everyone so that each property is effectively compared with every other parcel of property fairly and equitably.

"The equalizing appraisals are necessary because of rapid growth and changing economic conditions. Some properties have been undervalued for years and, unless their values are set realistically, their owners would not be paying a fair share.

"On the other hand, some have been overvalued and their owners are paying more than their fair share of taxes. In

equalization, experience has shown that the number of people who have been paying more than their share is roughly equal to the number who have been paying less.

"It is not the point of equalization to raise taxes, since the program has nothing to do with community budgets or tax levies.

"The purpose is a fairer distribution of the property tax burden. This will benefit individual owners, businesses and the community as a whole.

"At the end of the reassessment program, accurate and realistic values are achieved, meaning that each owner will be asked to pay only his or her fair share of taxes.

"I would welcome the opportunity to explain the revaluation program to any interested individual or group," Cruse related.

The assessor and his staff have voiced satisfaction with their relatively new quarters in the City Hall area formerly occupied by the police department.

The space has given them the "elbow room" needed due to the size of the workload and the increase in tasks carried out by the assessor staff, Cruse adds.

Duties include helping to implement state-ordered assessment relief, such as homestead exemptions and programs to offset the effect of inflation.

Cruse held the assessor office from 1958 to 1965 and then resumed the position in 1973. The chief administrator is Shirley Voegle and the appraisal administrator is Terry Schmidt.

Crime control funds

defenders have used grant funds to develop fulltime staffs. Career criminal prosecution units have been established in the Madison and St. Clair county state's attorney offices.

"Significant improvements in manpower and training have been made in the probation services of both the 3rd and 20th Judicial Circuits.

"Major efforts have been undertaken to deal with problems of juvenile delinquency. These have included development of youth service bureaus, alternative education projects, school liaison officers, and youth service coordinators in police departments."

John O. Ellis, executive director of the Southwestern Illinois Law Enforcement Commission, said the LEAA program has been a successful intergovernmental cooperative endeavor.

Some of the greatest accomplishments have been in the area of agency cooperation and coordination,

he said, adding the final funding decision has not yet been made. Congress must still review and consider the president's recommendations through the budget and appropriation processes of the Senate and the House of Representatives.

Interested and concerned citizens can still contact their senators and representatives to express their views about this "withdrawal of federal support of local crime-fighting efforts at such a critical time," he noted.

Ellis said that even though lobbying efforts are being undertaken by Washington-based law enforcement groups, action by Congress may be influenced more by individual citizens concerned about the level of crime in their neighborhoods and communities—if they let their senators and representatives know that they "still consider crime one of the most serious problems facing the nation."

The clothing being sought for the Jordans is for girls aged 5, 14 and 15 and boys 9, 17 and 19. In some cases, more than enough already has been contributed, thanks to alerting of the community by citizen band radio club members.

Mrs. Jordan, 42, a widow, and neighbors had asked city officials to board up or raise the vacant house. The municipality had obtained authority to tear it down but the time for an appeal had not yet expired.

Rail workshop

(Continued from Page 1)

The project includes eliminating switching yards on the East St. Louis riverfront.

The undertaking hinges on federal and railroad funding. Justifications for the expenditure would be greater efficiency, energy savings and redevelopment opportunities.

Truck plant

(Continued from Page 1)

Takashi Ishihara said at a news conference. The site is to be chosen within several months. At the same time, he said Nissan has no plans to manufacture passenger autos in America.

But he added that about 500 acres will

be acquired, a larger area than needed for the truck plant, and that the site could be used in the future for cars or other purposes.

Nissan and Toyota Motor Co., Japan's largest auto firm, have been

under pressure to start producing cars in the U. S., where there have been poor domestic auto sales, plant closings and massive layoffs, blamed partly on imports.

VIEWING THE BEST. About 40 landscape architecture students from the University of Illinois have visited Southern Illinois University at Edwardsville for a tour of the campus, regarded as a model in building arrangement, tree and shrubbery placement, turf

STUDENT HONORED. Gay Wright (right), a Candy Stripper at St. Elizabeth Medical Center, has been chosen as "Student Volunteer of the Year" by the United Way of Greater St. Louis. Estella Crawford (left), is also a Candy Stripper at the center. Miss Wright, daughter of Mr. and Mrs. Glenn Wright of the 2400 block of Delmar Avenue, Granite City, was selected from more than 100 student volunteer nominees. To be selected for this honor, a student must be actively volunteering in the metropolitan area for human care fields, such as social welfare, health, education or recreation, during the past calendar year.

She will be honored at a special luncheon Thursday in St. Louis. A Candy Stripper at SEMC for two years, she gave 500 hours of volunteer service at the center during the year. She has been active as secretary of the Candy Stripper group and often fills in for secretarial duties when hospital employees are on vacation. Miss Wright also is active in many school programs, from gymnastics to school plays. She is a junior at Granite City South.

Mrs. Nettie (Bowens) Conary, 85, of 2615 Grand Ave., a lifelong resident of Granite City, died at 4:15 p.m. Saturday, April 19, at Gravois Rest Haven Nursing Home, St. Louis.

She was born in Lebanon, Ill., and came to live in this area as an infant. Mrs. Conary had been in ill health for two years and was a resident of the St. Louis facility for six weeks.

She was a member of the First United Presbyterian Church and also belonged to the Pythian Sisters, Cascade Temple.

Her husband, Carl Conary, died in 1974. Survivors include one son, Arthur Conary, Manchester, Mo., and three grandchildren.

Funeral services 1 p.m. Tuesday, April 22, at Mercer Mortuary Chapel, 1416 Niedringhaus Ave. Burial in Sunset Hill Cemetery, Edwardsville Township. Visitation after 7 p.m. today.

Alan Hagnauer

Alan James "Jimmy" Hagnauer, 27, of 2310 E. 24th St., was fatally injured in a motorcycle and car accident Saturday afternoon on Highway 111 north of I-70, about 350 feet south of the

Alton & Southern Railroad tracks. Mr. Hagnauer was riding a motorcycle in the southbound lane of Highway 111 and the auto of Mark Horstman, 28, of 606 Village Drive, Edwardsville, was traveling north. The car crossed the center line, striking the motorcycle, according to state police.

Mr. Hagnauer was pronounced dead at the scene at 1:15 p.m. Saturday. April 19, by Dick Mizell, Madison County deputy coroner. Horstman was taken to Oliver C. Anderson Hospital, Maryville, where he was treated for minor injuries and released.

There will be an inquest. A lifelong resident of Granite City, Mr. Hagnauer was employed as an inspector at American Steel Foundries.

He was a member of Sacred Heart Roman Catholic Church and also belonged to the Knights of Columbus 1098 and the United Steelworkers Union.

Survivors include his parents, Mr. and Mrs. Edward (Florence Elmore) Hagnauer, Granite City; three sisters, Mrs. David (Sandra) Hunter, Madison, Mrs. Larry (Phyllis) Stone and Mrs. Vince (Karl) Stark, both of Granite City; one brother, Edward Hagnauer Jr., Granite City.

Funeral services 9 a.m. Tuesday, April 22, from Pieper Funeral Home, 1929 Cleveland Blvd., to Sacred Heart Roman Catholic Church, 2600 Washington Ave., for 9:30 a.m. mass. Burial in Calvary Cemetery, Edwardsville Township. Visitation after 2 p.m. today. Prayer service 8 p.m. today.

GC schools avoid borrowing

Ninety-nine percent of the school taxes billed to residents of the Granite City School District for the 1979 tax year have been collected and distributed to the school district, which has helped the district avoid borrowing for educational programs, Tully A. Heubner, director of business affairs for the school district, told the board of education during its last meeting.

Although the school board authorized Heubner to borrow up to \$500,000 for the educational fund, if needed, in the first half of April, income during the period was sufficient to avoid the borrowing, Heubner said. It was, however, necessary to sell a \$135,000 anticipation warrant April 1 for the building fund, he reported.

Heubner said the need for borrowing in the educational fund was negated by the receipt of final real estate taxes totaling \$1,042, and federal funds totaling \$68,000.

The board extended Heubner's authority until May 6 to issue up to \$500,000 in warrants for the educational fund, if needed. Heubner predicted that if sufficient revenues are received to meet the May 2 payroll, the borrowing may not be necessary.

In other financial business, the board approved the payment of bills totaling \$153,481 from the educational fund, \$796 in travel allowances, \$6,932 from the joint agreement fund, \$56,508 from the building fund, \$781 from federal funds and \$96,621 from the transportation fund.

The board approved the purchase of \$5,559 worth of automotive repair and testing equipment for the new automotive shop at Granite City High School North, all from Houser Automotive of Granite City. Heubner said 11 firms were asked to bid on the needed automotive equipment, but only three responded.

Houser bid on most items while Rotary-Nelson and Sears Roebuck chose to bid to supply only a few of the items needed.

"I don't know why we have problems getting bids on automotive supplies, but this time was no different," Heubner told the board.

The board members agreed to delete an electric lift from the bid list, since it discovered a hydraulic lift could be purchased for nearly the same amount of money. They agreed to rebid for the lift, seeking a hydraulic lift in this round of bidding.

Approval was given for the paying of \$200 to A.A.A. Door Closer Co. for repairing 10 door closers from several schools. The company is the only one repairing the closers in this area.

Contracts totaling \$1,648 were awarded to three low bidders to supply various items for kindergarten classes in the district. Successful bidders were Beckley Cardy for \$854, Constructive Playthings \$346, and J. S. Latta Co. \$947.

Four bidders won contracts totaling \$5,220 for office machines needed by the district. Thirteen firms bid on the items. Williams Office Products earned a \$410 contract for a dry copy machine, Dictaphone Corp. will receive \$2,880 for trade-in dictaphone units, A. B.

Dick Products will receive \$788 for two manual duplicators, and Kel Don Co., Inc., will supply nine calculators, six dictating units and one transcriber for a total of \$1,341.

Twenty-one companies bid to supply custodial supplies to the school district for the year and contracts were awarded to eight firms totaling \$10,767.

Contracts were awarded to: Great Lakes Chemical Co., \$83; J.D. Supply Co., \$90; Fuller Brush Co., \$122; Vestal Laboratories, \$330; Systems & Supplies, Inc., \$333; Acme Janitor Equipment, \$565; Moore Research, Inc., \$758; and Industrial Soap Co., \$8,506.

D.A. Automation Co., Inc., was the successful bidder to supply an IBM System 3 computer for \$6,000. Two firms bid on it.

Instructional supplies totaling \$16,613 were purchased from 12 bidders.

Contracts were to Bradburn School Supply for \$1,527; Obermeier Stationery Co.,

for \$1,865; Inlander Brothers, Inc., for \$177; Beckley Cardy Co., for \$906; Alvah Squibb Co., for \$1,163; Demco for \$1,008; J. W. Latta Co. for \$2,570; Standard Stationery for \$885; Buschart Brothers, Inc., for \$3,323; Amerigraph Pen for \$37; Ideal, Inc., for \$2,117; and Bye Moe, Inc., for \$231.

The board approved use of Kamadulski Excavating to remove dirt for the basement of the building trades house students will construct. They also will landscape the lot and will move the dirt to Granite City High School North where it will be used for an entrance ramp for the new automotive facility being constructed there. The cost of the dirt moving is not to exceed \$280.

Larry Dew, director of special education for the district, was granted permission to purchase a phonic mirror-handi-voice for \$1,000. The special voice synthesizer can aid non-verbal students in producing oral

English, Dew said. The machine is available only from H. C. Electronics, Lisle, Ill.

The board agreed to submit an application to the state for a \$3,654 grant for vocational instructional equipment. The Division of Vocational and Technical Education for the state has agreed to approve the grant, if the district will agree to keep records on the location of each item purchased through the program.

Dues of \$50 to the Illinois High School Association were ordered paid. The payment will keep both high schools as active members of the association.

Rather than agree to the monthly increase for routine auditing work from \$325 to \$650 per month sought by C. Schlusser & Co., the board asked Heubner to negotiate with the firm and determine if the amount can be reduced. Heubner said the monthly bookkeeping work can be done on the school district's computer.

Heubner is to report back to the board after discussing the issue with the auditors.

2 boys charged

Three youths seen walking in the alley between the 1800 block of State Street and Edison Avenue at 3:15 a.m. Friday were taken to police headquarters where two of them were charged.

Arrested were Tony Wade Schalk, 17, address unknown, charged with illegal possession of alcohol, contributing to the delinquency of a minor and curfew violation, and Maurice L. Carney, 17, of Springfield, Ill., charged with contributing to the delinquency of a minor and curfew violation.

The third person, a girl, was released to her parents on a notice to appear.

TWO YOUTHS FACE CANNABIS CHARGE

Two youths were arrested in a car on State Street behind South High School near the park Thursday and were charged with illegal possession of marijuana.

Officers on patrol stopped the car after a jogger had flagged them down and reported he had detected a strong marijuana odor when he was near the youth's car. Police alleged finding two buds of marijuana in the car ash tray.

Booked were Craig Vizer, 18, of 1645 Spruce St., and Randy Peach, 20, of 2924 Wayne Ave.

Juvenile held in stabbing

Madison police arrested a 16-year-old boy in the 1400 block of Madison Avenue for Granite City police last week after authorities received a call saying he was wanted in a stabbing case.

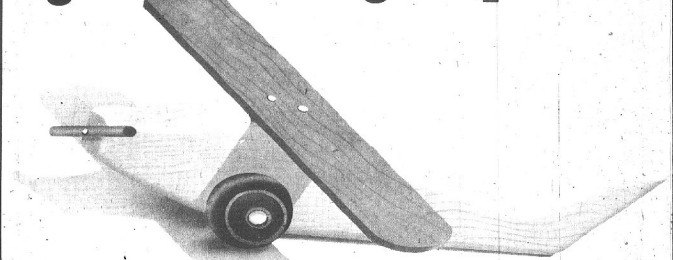

The victim of the stabbing, Walter Westbrook, alleged the juvenile was the one who stabbed him in front of the Pizza Palace, 1404 Madison Ave., March 21.

The juvenile was released to his parents and a petition against him was filed with the juvenile court.

Lower volume hurting Smith

Lower sales of U.S. automobiles and reduced housing starts contributed to the substantial decline in first-quarter earnings at A. O. Smith Corporation, compared with the same period a year ago. L. B. Smith, chairman and chief

executive officer, said last week. Sales in the quarter amounted to \$200,902,000 compared with \$227,167,000 in 1979. Earnings for the period were \$2,307,000, or 48 cents per share, compared with

\$8,279,000, or \$1.68 per share, in the first quarter last year.

The biggest impact on the company in the first quarter was caused by the steep decline in sales of U.S.-made intermediate and large cars and light trucks.

These are the principal markets for the structural products manufactured by the Automotive Division.

Unit volume in the division fell 38 percent below the level of the first quarter of 1979, with profits also being severely affected.

Demand at the division was also hurt by a strike at International Harvester which halted all shipments to this major truck frame customer during the first quarter.

Also reporting lower sales and profits were the company's electric motor manufacturing operations, which supply motors for air conditioning, refrigeration and water pumping systems. The slowdown in housing starts, plus higher raw material costs, caused both sales and profits to fall from the levels of a year ago.

Two operating units reported higher sales and profits for the quarter, Smith said.

A. O. Smith Harvester Products, Inc., a subsidiary which manufactures livestock feeding and waste management systems, reported substantially improved sales early in the quarter, with profits also up from a year ago.

Smith noted, however, that limited availability of farm credit, along with high interest rates, seemed to be slowing sales growth at the subsidiary toward the end of the quarter.

At the Consumer Products Division, a leading manufacturer of water heating equipment, good demand for energy-efficient water heaters and an enlarged customer base led to higher sales in the quarter compared with last year. Earnings improved from last year's low level, but profit margins remained unsatisfactory, Smith said. Improved results in the quarter compared with 1979 were also reported by several affiliate companies, including A. O. Smith-Inland Inc., a manufacturer of reinforced plastic pipe.

Thompson, Percy, Price coming to dam ceremonies

Many honored guests and officials will attend the groundbreaking ceremony at 2 p.m. Friday for replacement of Lock and Dam 26. Charles G. Houghton, executive director of the Bi-State Development Agency, reports. The agency is the coordinating body for the Port of Metropolitan St. Louis.

The list of attending dignitaries includes: Illinois Gov. James R. Thompson; Carolyn Ashford, chief of staff for Missouri Gov. Joseph P. Teasdale; Sen. Charles H. Percy (Ill.); retiring Sen. Adlai E. Stevenson III (Ill.); Sen. Thomas F. Eagleton (Mo.); U.S. Representatives Melvin Price (Ill.), Paul Findley (Ill.), Harold Volkmer (Mo.) and Lt. Gen. John W. Morris, chief, U.S. Army Corps of Engineers.

A White House representative, yet to be named, will also be in attendance. Houghton will serve as master of ceremonies. Ceremonies marking the long-awaited replacement of Lock and Dam 26 on the Mississippi River two miles downstream from the present Alton locks and dam

will feature music, fireworks, river boats and speeches.

The public is being invited to witness this plus the driving of the first piling in mid-river, signaling the start of the largest public works project ever undertaken by the Army Corps of Engineers in the Midwest.

The ceremony will take place at the dam site, on the Illinois shore of the Mississippi adjacent to Illinois Route 3, north of Granite City and south of Alton along the Wood River levee.

The program at 2 p.m. will be preceded by a 1:15 p.m. concert featuring the Scott Air Force Base Band of Mid-America. Following the concert, the U.S. Coast Guard will present the colors and the speaking program will start. At the conclusion, a signal will be given to begin driving the first piling.

Seek foster care for 16-year-old

"Rita—currently in need of foster care—wants to be part of the crowd. She is very immature and easily influenced by the wrong friends."

"She is 16 years old, small with curly brown hair and blue eyes—a friendly girl who makes friends quickly. "Rita is from a broken home where her mother was an alcoholic; she received little attention and encouragement as she was growing up. She loves her mother but knows she can never depend on her for support."

"Rita is interested in cooking and housekeeping chores and is considered very good with small children. She loves music and likes to fish and take part in other outdoor activities. "She likes to go places and be around lots of people. "Rita needs a great deal of

positive reinforcement to make up for her insecure past," friends say. "She needs a structured environment where she will know what is expected of her."

"She attends special education classes, where she is showing lots of improvement, but she still needs help in that area."

"Her foster parents will need to be understanding of her feelings for her mother, and willing to help her deal with them."

"Those who are interested in Rita or in foster care in general, may call Illinois Department of Children and Family Services, 876-8985, and ask for Shirley."

Foster parents are paid \$180 a month for teenagers, and medical, pharmaceutical and dental expenses are also paid by the state.

Art Guild exhibit at branch library

The Granite City Art Guild will present an art show at the Granite City Branch Library between April 22 and May 3. The show will feature about 50 art works consisting of landscapes and still lifes presented in oil, watercolor and acrylic as well as photography.

The Guild is made up of 47 members ranging in age from 18 to the 80s.

Meetings are held at 7 p.m. on the third Tuesday of each month at the Central Christian Church Fellowship Hall, 2020 Johnson Road. Visitors and new members

are welcome, President Eva Meadows said.

The purpose of the Art Guild is to advance civic and cultural interests having to do with visual arts and crafts, and medical, pharmaceutical and dental expenses are also paid by the state.

Other officers of the Art Guild are: Lela Gunning, vice president; Nellie Dierker, treasurer; Lucille Sackett, recording secretary; and Nancy Meadows, corresponding secretary.

Members of the Guild are to set up art for display at the Branch Library between 3 and 6:30 p.m. tomorrow. The art exhibit may be viewed at the Branch Library, 6 Nameoki Village, from 12:30 to 9 p.m. each Tuesday and Wednesday and from 9 a.m. through 5:30 p.m. each Thursday through Saturday.

DAY OF REMEMBRANCE of the massacre of Armenians is discussed by, left to right, the Rev. Khoren Habeshian, Mayor Paul Schuler, Lisa Bedian and Ed Haroian.

Armenian remembrance services here

A proclamation designating Thursday, April 24, as a "Day of Remembrance of Man's Inhumanity to Man" has been signed by Granite City Mayor Paul Schuler and presented to representatives of the Armenian community.

April 24, 1980, will mark the 65th anniversary of the first genocide of the 20th Century, during which one and a half million Armenians were systematically massacred by the Turkish government," a spokesman said.

The Granite City Armenian community marked the day with special requiem services and a memorial dinner following regular church services yesterday at St. Gregory the Illuminator, Armenian Apostolic Church, 1732 Maple St.

Special religious ceremonies, as well as civic functions and gatherings, including demonstrations and hunger strikes, will take place Thursday throughout the U.S., Canada, and around the world wherever Armenian communities exist.

Every year, on April 24, Americans of Armenian descent invite their fellow Americans to "pause for a moment and recognize that the toleration of genocide and its acceptance as a 'solution' to any political problem leads only to its repeated use, just as the Armenian indifference to the Armenian genocide and its aftermath led Hitler to cite it as precedent and justification for his own crimes against Jewish people, Polish and others."

"It is being recalled that on Aug. 22, 1939, Hitler declared, 'After all, who remembers today the extermination of the Armenians?'"

Armenians here say that the occurrence is remembered, but that 65 years later the crime remains unpunished.

The contemporary "westernized" and "democratic" Republic of Turkey refuses to admit the crime, and Armenians in Turkey are still persecuted to this day, the local group contends, adding:

"The genocide of 1915 was essentially a crime committed against all humanity as its recurrence in the Jewish holocaust during World War II was to demonstrate."

"By remembering this day, the local Armenian community is showing that it has not forgotten this act and we hope this will remind others of this specific case of 'man's inhumanity to man.'"

Housing units in Venice are reconsidered

By MICK STRANGE
of the Press-Record

Although turned down several months ago by the U.S. Department of Housing and Urban Development (HUD) a privately financed housing project in Venice still may be approved.

Venice Mayor Tyrone Echols apparently would not take no for an answer and has been quietly meeting and working with HUD officials and others to get the project approved.

The Madison Board of Education, which previously, objected to HUD, at its Thursday evening meeting withdrew the board's objections.

Board members originally felt that the housing units would be a financial burden to the Madison School

District and could increase enrollment by 250 students. However, both HUD and the developers of the project feel that although there is no guarantee, it is reasonable to assume 90 percent of the families that would occupy the new apartments already live in the school district.

It was also reported to the Madison board that as much as 40 percent of the residents of the new housing could be senior citizens.

Board Member Paul Bargiel said, "Based on the new information and being faced with a declining enrollment I move we send a letter to HUD reversing our original position and support the project."

The motion was seconded by Don Garrett and passed unanimously by the board. Mayor Echols told the Press-Record Friday morning, "The project is not approved yet and I don't want to get anyone too excited, but it is at least back in the hopper, so to speak."

"The project, if approved, will still be located on the 8.94 acres, bordered by Bissell Avenue and Klein Street, where the former Johns Manville plant was located."

"We had to change the plans a little. The project has been scaled down from the original 131 units to 91, but that is 91 housing units we really need."

"We had an environmentalist come down and do more studies and we will have to locate the units 600 feet from the tracks."

"It will be two or three weeks yet before we hear any more news," Echols said.

Mammoth revaluation task nears end here

A massive revaluation of all 13,000 real estate parcels in Granite City Township is nearing completion, with a June 1 target date, and the assessor's office has been a place of busy activity this winter and spring.

At the top left, Shirley Voegelé (right), chief administrator of the office, confers with Carrie Henson on information on assessment data sheets is transferred onto file cards (stack at the left).

In the top right photograph, Assessor Von Dee Cruse (left) reviews progress on a city map divided into assessing neighborhoods. Seated is Terry Schmidt, appraisal administrator.

At the left, Schmidt uses an adding machine to combine the various ingredients of an assessment, including the size of the building and the type of construction.

The photograph on the right shows Rita Hutchinson with a city building permit, property photographs, scale drawings of a home and lot, and data prepared by the assessor's field staff.

State-certified appraisers include Von Dee Cruse, Shirley Voegelé, Terry Schmidt, Marjean Miller and Edna Miller. Those nearing state certification are Rita Hutchinson, Peggy Burch and Robin Holshouser.

Assessor Cruse says the chief goal of the work is to "record current values for everyone to that each property is effectively compared with all other property fairly and equitably. Equalizing of appraisals is necessary because of rapid growth and changing economic conditions."

Goals are fairness, accuracy

Pontoon OKs contract to buy building for village hall

A contract to buy the Central Baptist Church property at 3910 Highway 111 for use as a village hall was approved by the Pontoon Beach Village Board in a special meeting Thursday night.

Paul Bennett, village board president, said the ordinance authorizing the

transaction and providing for financing the purchase now will be prepared and will be presented to the board as soon as they can be readied.

Bennett explained that under the law the financial procedures must be published for a 30-day period, followed by a 60-day

Dymas, Mrs. Bosworth board officers

By MICK STRANGE
of the Press-Record

Srm Dymas was re-elected unanimously to his third consecutive term as president of the Madison Board of Education during a Thursday evening reorganization meeting.

Mrs. Billie Bosworth was named secretary, the position formerly held by Richard Zeisset.

The secretary's position pays \$2,400 per year and is the only paid position on the board. Board members normally serve only one year as secretary.

Zeisset remains as a board member. Frank Eaves was re-elected treasurer for the school district in Madison.

Attorney John Papa was appointed by the board as the attorney. Papa is not on a regular salary, but is paid on an hourly basis as needed.

Prior to the meeting of the new board, a meeting was held to canvass the

ballots of the April 12 school board election.

The official canvass showed Dymas with 752 votes; Eaves with 552 votes, Evelyn Holt 413 votes and Viola Lewis with 221.

Dymas and Eaves having the two highest number of votes were declared winners and officially seated for three-year terms.

The canvass showed James Edward Newsome Sr., the only candidate for a two-year term, with 699 votes. Newsome was officially declared the winner.

A total of 1,173 votes were cast with 42 spoiled ballots. Several write-in candidates received a few votes.

In other business, the board authorized Superintendent of Schools John Palchett to meet with Mike Macek, coordinator of the city of Madison burglar alarm department, and review the type of alarm system to

install in the new middle school.

Two systems have been proposed by Macek, one that would cost \$40 per month and a more sophisticated system that would cost \$50 per month.

A first year, non-tenure teacher, asked to be placed on the agenda and be recognized; however, she was ruled out of order and the meeting was adjourned.

A board member told the Press-Record after the meeting that the first year teacher's contract was not renewed and she wanted a hearing by the board. However, the board member explained that hearings were not called for under their contract and therefore a hearing would not be granted.

It was further noted that personnel matters were discussed in closed executive meetings and not in open meetings, under the Illinois School Code.

CHATTANOOGA CHOO-CHOO is the theme of this group, F. Gordon Mueller's second hour acting class at North High, preparing for a school tour Wednesday. Left to right, front row, Nikki Barr, Traci Basden, Jill Bledsoe and Kristy Whitaker. Second row, Ethyl Mathis, Julia

Downing, Julie Beck, Anthea Hallett, Marla Cloninger and Mary Smith. Third row, Mark Haefner, Georgie Busch, Chris Burse, Margaret Hefflin, Lisa Hendrix, Chris Davis and Teresa Hickam.

TIME WARP skit by the Mueller first hour oral interpretation class at GCHS North. Left to right are: front row, Mark Disney, Anne Fuller, Carla Cunningham and Mark Belleville. Second

row, Tracie Millard, George Compton, Amber Hogan, Connie Siebert, Teri Roberson, Jennifer Herman, Lynn Jeffries, Sue Basarich, Mark Mills and Jenny Evans.

HITCHHIKING dramatization by the Mueller sixth hour acting class. From left to right are: kneeling, Tina Parchman, Howard Theis, Troy Turner, Kevin McGee and Jim Bradley. Second row, Melissa Travis, Tina Floyd, Chris

Hackney, Tammy Pepperworth, Kim Smith, Bev Tester and Michelle Biggs. Back row, Michelle Krusec, Trenton Bone, Kim Coffman, Diane Beeler, Nancy Siebert and Tina Pavia.

Student pantomimes and skits

Oral interpretation and beginning and advanced acting classes (1st, 2nd and 6th hours) taught at GCHS North by F. Gordon Mueller will participate in a mimers' tour Wednesday.

The group will perform at 8:45 a.m. in the Grigsby Junior High cafeteria for the entire eighth grade, and then at 9:45 a.m. in the Prather Junior High gymnasium for the entire student body.

The mimers also will present a special public performance of their show at the Spring Fine Arts Show at North High on Sunday April 27. The program will start at 1:30 p.m. and will be in the

North cafeteria; the mimers will perform at 2:15 p.m.

Purpose of the tour is to acquaint junior high school students with the pantomime and skit forms, and to introduce them to one of the many speech activities at North.

Specific acts will include: "Be A Clown," special dance routine by MIMS (Jim Bradley, Chris Burse, Anne Fuller, Tina Parchman, Melissa Travis and Kim Woodward).

"A Sticky Situation," pantomime.

"Stomper Room," skit. "Chattanooga Choo-Choo," dance routine.

"Big Bubble Trouble," skit.

"French Fries," skit. "Country-Western Band," pantomime.

"Hitchhiking," pantomime.

"Elevator," skit.

"Shopping Cart," skit.

"Duck Hunting," skit.

"Time Warp," dance routine.

A distinctive feature of the mimers is their costumes. Their modified teenage garb includes colorful overalls, bright designed shirts, various distinctive hats, sneakers, and long, multi-colored socks.

The mimers carry multi-

colored balloons and wear classic mime makeup.

Purpose of the costume is to convey a universal youthful spirit. Their joyous mood is further shown through creative use of clown-like white makeup, highlighted by use of color, Mueller said.

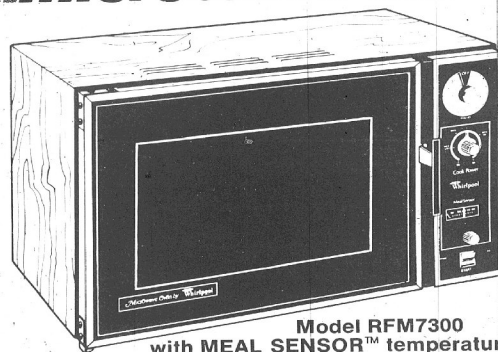

Theme of the performance is to exemplify the exuberance of life experienced by young people today.

This is the fourth year for the mimers' tour of junior high schools. The mimers were started by Dr. Goni Michaeloff, chairman of the speech department at North.

Kicks woman after forcing way into auto

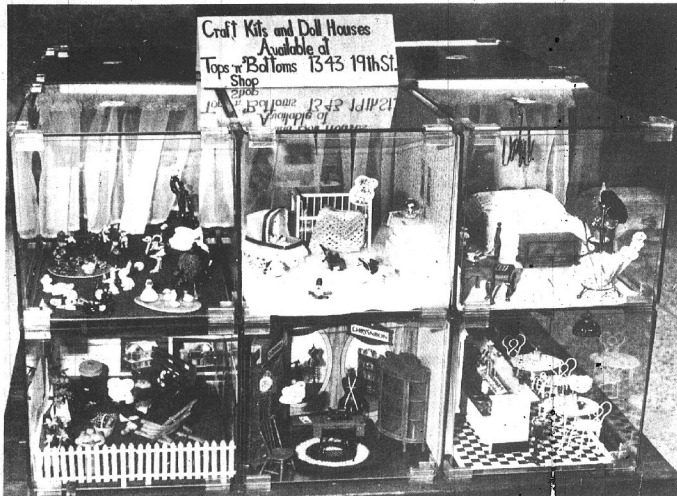

A Granite City woman drove to a West Granite tavern to pick up her boyfriend at 2:25 a.m. Sunday, parking in front of the building. A man walked up to the car, asked for a ride and, when she refused, forced his way into the car. He grabbed her by the throat and made her drive to the Prather Jr. High School parking lot, where he took the keys from the ignition, pulled her out of the vehicle and threw her to the ground. The assailant kicked her and attempted to remove her clothing while she was screaming. He then suggested they get into the car and the woman tried to take the keys from the ignition and get out of the vehicle. As the auto stopped, she fell out of it and he began kicking her again. When she resumed screaming, the man fled on foot. She then drove to a home in the area and called police.

HOUSE BURGLARY

Two bedrooms at the home of Aaron Meyer, 1628 Mitchell Ave., were ransacked and a man's \$250 watch, an instant camera, a shotgun, two bottles of medicine and a skinning knife were stolen, it was discovered at 10:50 p.m. Saturday. The intruder broke a glass pane in a door.

Madison Lions plan free hearing check

A free hearing check for adults will be conducted Wednesday from 1 to 5 p.m. at the Madison Recreation Center, 7th Street and Lee Avenue, Madison.

The tests will be conducted in a program sponsored by the Madison Lions Club in conjunction with the Lions of Illinois Foundation.

The examinations will be made at the Lions mobile hearing services unit. The tests will be made by a clinical audiologist to determine hearing loss.

"The earlier a problem is professionally evaluated, the better the chances for successful treatment," a club spokesman said.

3 hurt, driver charged

Three persons were injured and the driver was arrested on three charges as the result of an accident at 5:25 a.m. Friday in the 2100 block of Ames Avenue.

Kenneth R. Biggs, 20, of 2328 Nameoki Road, driver of the car which left the roadway and skidded into a tree, was admitted at St. Elizabeth Medical Center suffering back pain. He was charged by police with reckless driving, illegal

transportation of alcohol and illegal use of a car registration. Two passengers in the car, Kevin Cochran, 19, of 3808 Kirkpatrick Homes, and Chrissy Keith, 17, of 305 Kirkpatrick Homes, were injured. Cochran was treated at the medical center for a head injury and admitted, and Keith received treatment for minor injuries and was released.

Denies rezoning DeMolays install Geoffrey Wofford

The Madison County Board has denied the rezoning of five acres in Nameoki Township on the basis that the property is located in a flood plain.

The county zoning board of appeals had earlier recommended that Leo Kamadulski be allowed R-3 one-family residential zoning for a tract located along Illinois 182 east of Illinois 111. The land is currently zoned for agriculture.

County Board member Homer Boothman, State Park Place, said the land was covered with water last week. He called it swamp-land.

"It would be another Arlington Heights," he said. Even if the area was built up to prevent flooding, nearby residents would be adversely affected, he told his colleagues.

Boothman asked the county board to deny the rezoning. Several board members expressed reluctance to refuse the property owner's request.

Fred Dalton, Collinsville, saying that many areas of Madison County are in flood plains, asked: Do we have provisions for people to build in a flood area?

Jack Frandsen, Alhambra, said the county had adopted national flood insurance guidelines. These guidelines require elevation of structures in a flood plain either by fill or other means.

Frandsen noted that a property owner cannot bring in fill in Madison County without a permit.

National flood insurance maps show the required elevation for new buildings in specific sections of the county. Madison County's requirements are more strict than those of many other governmental units, in that structures must be two feet above the elevation of a 100-year flood.

Mike Semanisin, Collinsville, said that "anyone can build anywhere" as long as he goes by the federal flood insurance guidelines.

When the matter came to a vote, three board members—Dalton, William Little, Alton and James Heil, Godfrey—voted in favor of Kamadulski's rezoning.

MISHAP ON MADISON
Janet Jordan, Bunker Hill, Ill., reported Friday that the car she was driving which was involved in an accident in the 1400 block of Madison Avenue early last week was owned by her brother-in-law, Jerry Jordan. The Jordan car struck a parked van and the driver was charged with careless driving. Jerry Jordan, a passenger in the back seat of the car, was taken to St. Elizabeth Medical Center but did not require treatment, the driver reported.

Fine Arts Festival at North April 27

A Fine Arts Festival will be held at Granite City High School North Sunday, April 27, in the cafeteria and gym from 12:30 to 4 p.m.

The festival will feature performances by the concert band, Mimer's, the Madrigals, and an aerobics dance presentation. An art show, a home economic clothing display and cake demonstration and a student clay throwing demonstration will be held in the cafeteria.

Grigsby Junior High School art students will have their work displayed in the school hallways.

The concert band, under the leadership of Robert Todoroff, will present a 45-minute performance at 1:30 in the gymnasium. The program will include performances by the Steel City Belles pom pom squad and

the North Guard flag and rifle squads.

The Mimer's group, under the direction of P. Gordon Mueller, will offer 12 skills and dance routines. They will perform at 2:15 in the cafeteria.

A mini-concert will be given by the Madrigals at 2:45 in the cafeteria. The group is under the direction of Mrs. Gail Mueller. The accompanist for the afternoon is Debbie Buer.

Rhythmic aerobics will be performed by members of a physical education class taught by Mrs. Terry Papa. The group will perform at 3:15 in the cafeteria.

The home economics program will be guided by Mrs. Mildred Collins and the art show is under the direction of Robert Moske and Larry Lippe.

Members of the Band Parent's Association will operate concessions. There will be available parking in the front lot of high school, and all Quad-Citians are invited to attend.

Film presented to Kiwanis

Randall Irwin of Irwin Chapel for Funerals presented a film to the members of the Breakfast Kiwanis club at a Thursday meeting.

The film dealt with preparing young children for death and dying.

Tickets, costing \$1, are now being sold for the annual hole-in-one contest sponsored by the club. The contest will be held May 17-18 at Arlington golf course.

A \$100 savings bond will be given to anyone who makes a hole-in-one or to the one closest to a hole-in-one. Coupons for a free McDonald's quarter-pounder will be given with the purchase of a ticket.

Tickets may be obtained by contacting any member of the Breakfast Kiwanis. Those requesting more information may call President William Fever at 876-8656.

A business meeting will be held next week, it was noted.

JOHN KAROLY

LOUIE BELLSON, a professional drummer, will appear at the John Fornaszewski Drum Shop, 3009 Nameoki Road, Friday from 3:30 p.m. to 5 p.m. Fornaszewski said he attended the National Louis Bellson Drum Contest in Las Vegas in December and invited Bellson to appear at his shop to meet area residents. Bellson will be a judge for a suburban high school jazz festival at the University of Missouri-St. Louis from 9 a.m. to 4 p.m. Thursday. From 4:30 to 5 an all-star jazz combo will perform, and then at 5 Bellson will conduct a drum clinic, showing drum techniques. At the right is Granite Cityman John Karoly, who will be featured at the clinic. Karoly and Bellson competed in the original Gene Krupa contest, finishing second and first, and both went on to featured spots with the Tommy Dorsey orchestra. Also participating in the drum clinic will be Stan Fornaszewski, winner of the 1979 Bellson drum contest.

Health Fair this week at four local sites

By KATHY SMALL of the Press-Record
Health Fair '80, taking place throughout the metropolitan area this week, includes four Quad-City area sites.

Local sites and Health Fair dates include the Granite City Township Building, Wednesday, April 23, from 11 a.m. to 7 p.m.; Ketteler Center Gymnasium of St. Elizabeth Medical Center, Thursday, April 24, from 11 a.m. to 7 p.m.; Madison Memorial Center, Saturday, April 26, from 10 a.m. to 5 p.m.; and Venice Recreational Center, Saturday, April 26, from 10 a.m. to 4 p.m.

Project sponsors include KSDK Channel 5, Blue Cross and the American Red Cross.

Health Fair '80 is part of a national project whose purpose is to develop and expand resources to provide health screening, health education and information concerning local health and social resources.

The screening is not intended to be a substitute for a physical examination by personal physicians, a spokesman said.

Tests for blood pressure,

anemia, glaucoma, podiatry, sickle cell, oral hygiene and diabetes will be featured at most sites.

An optional blood chemistry test will also be featured at some sites. The test includes screening for kidney disease, liver disease, thyroid, at a charge of \$6.

Transportation to the Granite City Township Building site on Wednesday will be provided by the Nameoki Township supervisor's office.

Pick-up locations include the Holiday Mobile Homes sales lot, Long Lake Fire Department, City Temple Assembly of God Church and the Chouteau Township office center.

Pick-ups from the Holiday Mobile Homes will be at 11 a.m. and 1 p.m.; Long Lake fire department, 11:15 a.m. and 1:15 p.m.; City Temple, 11:45 a.m. and 1:30 p.m.; and Chouteau Township office, 1 p.m. and 3 p.m.

Return trips from the Granite City Township Building will be at 2 p.m. and 3:30 p.m., except for those who were transported from Chouteau Township office. Return trips for that group

will be at 3:30 p.m. and 5:30 p.m.

More information concerning the transportation schedule may be obtained by calling 798-3065.

Tests for blood pressure, height, weight, anemia, diabetes, visual acuity, diabetes, hearing, glaucoma, pulmonary function, tuberculosis and optional blood chemistry tests will be available at the GC Township site.

St. Elizabeth Medical Center site will feature all except tuberculosis. No hearing testing will be given at the Madison site. At Venice, additional screening includes oral screening and podiatry. There will be no diabetes screening at Venice.

Counseling and referral follow-ups will be available at all sites, and health exhibits and demonstrations will be featured at all sites. The Health Fair screening services are available to all persons 18 years of age and over.

Brownie troops participate in clean-up day

Optimists discuss economic growth

George Andres of the Tri-City Regional Port Authority spoke on the possibilities of economic growth in this area at a meeting Thursday afternoon of the Granite City Noonday Optimists club.

He also discussed how the Port Authority might be involved in this growth. Program chairman was Dave Parrish.

Next week's program will consist of a discussion of the financial aspect of economic growth, it was noted.

MUSIC RECITAL

By BETH POTILLO
Beth Potillo, a flute and piccolo player from Granite City, will perform her junior recital Thursday at SIUE.

She will be accompanied by Martha Campbell, a flutist from Alton, and John Gross, a pianist and assistant in the SIUE department of music.

The performance will begin at 8:15 p.m. in Lovejoy Library auditorium and will be done for partial fulfillment of the requirements for a bachelor of music degree. The recital is free and open to the public.

Family financial planning has never been easy and today it's harder than ever. Young families just starting out are almost unanimous in asking the question, "Where did it all go?" This is one of the psychological hardships of inflation... you feel you are doing something totally wrong... you are earning more than you ever thought you could and yet there is nothing left after the bills are paid... sometimes before the bills are paid.

The only real relief is careful planning. Don't spend money you don't have to spend. Put off big purchases. Start a savings account and make it a Number One Priority. Add something to your savings each payday. Concentrate on spending less. Before you write that next check or spend that next dollar, ask yourself one question: "Can I do without this?" You'll surprise yourself at how often your answer will be "yes."

Make your money work wisely for you, not against you and you'll soon start winning that "losing" battle. You can BANK on it!

JUNE BRIDE-ELECT. Miss Mary Teresa Breidenbach and Patrick Cochran will exchange wedding vows June 21 at St. Charles Catholic Church. The bride-elect is the daughter of Dr. and Mrs. William Breidenbach of Granite City.

Madison Jr. Service elect 1980 officers

Fannie Fisk was elected president of the Madison Junior Service Club at the April meeting of the organization.

Other officers elected for the ensuing year included Jo Ann Gushoff, first vice-president; Caroline Champion, second vice-president; Donna Dorris, third vice-president; Dottie Caffrey, treasurer; Diane Hudzik, recording secretary and Linda Skoklo, corresponding secretary.

Named as new board members were Donna Woodward, Janet Shultz and

Rita Barnhart.

During the business meeting it was voted to send donations to Happy Strings Tamms of Madison, the Middle School of Madison, Mothers Club, Health Fair and Easter Seals.

A discussion was held on the federation meeting to be held at Bill Burn's Restaurant. Mrs. Julia Voloski of the Madison Club will serve as vice-president of the federation, it was announced.

Refreshments were served after the session by Donna Woodward and Dottie Caffrey.

Eagles Auxiliary memorial

The charter of the Eagles Auxiliary 1128 was draped in black for the memorial service held in honor of all deceased members since its inception in 1929, last week at the Eagles Aerie.

Members of the memorial team were dressed in white robes with black mourning

bands for the candlelight ceremonial.

President Shirley Robinson opened the session at 8 p.m. followed by reports read by Helen Frazier, secretary, Leona Delaloye, treasurer and Kathleen Reed, visiting chairman.

A white elephant gift donated by Mrs. Delaloye was won by Florida Batson and the evening prize was awarded to Ann Konopka.

Lunch was served by Mrs. Frazier and closing prayer offered by Eileen Rickert. The next meeting is set for April 22 at 8 p.m., the president announced.

Bess Weissis club hostess

Mrs. Bess Weiss was hostess to the Past Matrons Club of New Hope Chapter 432, Order of the Eastern Star, for a social gathering last week.

Games were played during the evening and prizes awarded to the winners.

A 7 o'clock buffet luncheon was served by the hostess to Mesdames Evelyn Harris, Thelma Jahnson, Helen Merz, Ann L. Mueller, Charlotte Rapp, Charlotte Root, Marilyn Whitworth and Donna Woodward.

Mrs. Whitworth invited the group to meet in her home, 3222 Wilshire Drive, on May 20.

TO HONOR VOLUNTEERS

St. Elizabeth Medical Center will honor 150 adult volunteers at a breakfast Tuesday. The group donated over 26,000 hours of service last year, according to the announcement.

Miss Breidenbach to wed

Miss Mary Teresa Breidenbach, the daughter of Dr. and Mrs. William Breidenbach of Granite City, will become the bride of Patrick Cochran in a June 21 ceremony.

Her fiancé is the son of Mr. and Mrs. Maurice Cochran of Salmon, Idaho.

Miss Breidenbach graduated in 1972 from Granite City Senior High School. She attended University of Northern Colorado in Greeley and graduated in 1977 from Viterbo College in LaCrosse, Wis.

She received a bachelor of

science degree in community medical dietetics and is now employed at SE District Health Department in Salmon, Idaho.

The future bridegroom graduated from Salmon High School and from Idaho State University in 1974. He received a bachelor of arts degree in journalism and will graduate in May with a master degree in public administration.

He was active in the ISU chorus, the International Affairs Council and Phi Sigma Alpha.

The June wedding will be solemnized at St. Charles Catholic Church.

BETROTHED. Miss Faith Langston of St. Charles and Frank Heil of Madison are planning a June 28 wedding. The groom-elect is the son of Mr. and Mrs. Fred Heil, 1665 Fourth St.

Heil-Langston engagement

Mr. and Mrs. John Langston of St. Charles, Mo., are announcing the engagement of their daughter Faith Marie and Frank Edward Heil.

Parents of the prospective groom are Mr. and Mrs. Fred Heil, 1665 Fourth St., Madison.

Miss Langston graduated in 1977 from Orchard Farm

School in St. Charles. She is employed at Normandy Bank in the loan department.

The May meeting was held at the home of Mrs. Schank on May 8, at which time a spring plant sale will be conducted by the ways and means chairman. Others attending were Mary Kristian and Mrs. C. E. Eads.

The betrothed couple plan to be married June 28 at First United Pentecost Church in Granite City.

Mrs. Kerch gives program

Mrs. Robert Hintz entertained the members of the Gardenaires Garden Club at her home last week.

The president, Mrs. Leo Schank, welcomed Mrs. Andrew Gonzalez as a new member. She also announced the following committee chairmen for the coming year: horticulture, Mrs. Roy Hormann, mini-garden center, Mrs. William Long, and ways and means, Mrs. Hintz.

During the business meeting the members voted to support the Lincoln Memorial Gardens in Springfield, Ill., by contributing a full membership this year. This month the Mini-Garden Center display at the Granite City Public Library features "Spring Gardening" ideas, it was announced.

An invitation from the Granite City Park District to participate in the planning and planting of the annual flower beds at Wilson Park was discussed. The members agreed to do this project, and set May 14 as the tentative planting date.

The president announced she would be attending the organizational meeting for District V, on Thursday, April 24, in Belleville.

At the conclusion of the business meeting, the Program Chairman Mrs. Richard Kerch announced the theme for the years programs would be "Welcome To My Garden."

She discussed "An Artists Garden," which features Monet's garden at Giverny. She asked each member to

name a favorite flower in their garden.

The May meeting will be held at the home of Mrs. Schank on May 8, at which time a spring plant sale will be conducted by the ways and means chairman. Others attending were Mary Kristian and Mrs. C. E. Eads.

Mrs. Rea hosts pinocle club

Mrs. Norma Hand was honored on her birthday Thursday evening by members of the Candlelight Club at a meeting hosted by Mrs. Bette Rea.

Pinocle games were played during the evening and prizes awarded to Mrs. Hand, Mrs. Harriet Hoff, Mrs. Donna Hartwick and Mrs. Doris Thompson.

An arrangement of fresh joulis centered the dining table for late two course luncheon.

Others attending were Mrs. Shirley Brown and Mrs. Ariene Morley. Mrs. Morley of Collinsville, will entertain the group in her home for the May meeting.

Chapter plans spring party

Plans for an annual spring party of Chapter HT were announced at a meeting held last week in the home of Mrs. Carl Matthias, Oaklawn Drive.

The event is set for April 28 and will be hosted by Mrs. Randall Robertson in her home, it was noted.

Mrs. Arthur Buente will conduct a memorial service at the PEO Founders Day observance to be held at the Signal Hill United Methodist Church in Belleville.

Also discussed was the PEO state convention which will convene in Springfield, Ill.

Mrs. Judy Daily gave a program on floral arrangements during the afternoon affair.

Refreshments were served to those named and to Mesdames Charles Kohl, Harold Fischer and Randall Robertson.

Handicapped invited to Job Fair April 25

A Job Fair for the Handicapped will be held Friday, April 25, from 9:30 to 11:30 a.m. in the library of Granite City High School North.

All physically and mentally handicapped adults are invited to attend and meet with potential employers. Persons attending are to bring several short resumes and be prepared to be interviewed by employer representatives.

The Job Fair is the first attempt locally to bring together industry and the handicapped. Several agencies providing assistance to the handicapped adult will also be represented.

Among those expected to attend are: Roberts and Dahl, GC School of Beauty Culture, Madison County Federal Savings and Loan, Social Security Administration, Madison County Association for the Retarded, Nichols and Twine, Granite City Park District, I.B.M., Illinois Association for the Retarded, U.S. Postal Service, Quad-Cities Mental Health Clinic, Urban League, Specialized Services, Manpower-CETA, American Colloid, Office of Personnel Management, American Steel Foundries, Consolidated Aluminum, Madison County Public Library, Jewish Employment and Vocational Services, Illinois Job Service, Department of Rehabilitation Services, St. Elizabeth Medical Center, Co-Ordinated Youth (Women, Infant and Children Program), City of Granite City, WGN radio station, American Heritage Bank, and St. Louis Blue Cross.

The project is sponsored by the Parents for Special Education in co-operation with special education teachers and the Region I Special Education District of Quad-Cities. More information on the Fair may be obtained by calling Kay Grady, 877-5806.

Alma Burnett gives lesson

Mrs. Alma Burnett gave a devotional lesson on "Who Passed You the Ball?" using scripture verses Matthew 10:8, at a meeting of the Sunday School of Second Baptist Church.

Members met in the home of the class teacher, Mrs. Evelyn Smith, 2613 Cayuga Ave.

Opening prayer was by Dorothy Barnes followed by the singing of the class song. A business discussion of the minutes of a former meeting and closing prayer was offered by Mrs. Smith.

She served refreshments to those named and to Gladys Hudgens, Esther Davis, Frances Sims, Norma Rains, Eleanor Cook and Betty King.

Garden Club plans yearbooks

The Cloverview Garden Club met last week at the Holiday Inn in Edwardsville to discuss the theme and standing committees for the 1980-81 yearbook.

Plans were made for the yearbook to be given to the club for the 25th anniversary of the founding of the club.

Mrs. Eldon Meikamp, president, reported on her attendance at the annual meeting of the District Garden Clubs of Illinois. Blue ribbons were awarded the club for the history book and yearbook of 1979, she noted.

Mrs. B.C. O'Neill presented a program on the dry garden to the garden club. She also read a pamphlet on the value of having been in the garden.

Pinocchle club marks 60th anniversary

Members of one of the oldest pinocchle club in the Quad-City area celebrated the 60th anniversary of the organization at a luncheon meeting Thursday at Ravanelli's Restaurant.

The 12 original members selected the name of Jolly 12 Pinocchle Club for the social group which met semi-monthly in each other's homes.

Those who organized the club, now deceased include, Mesdames Ida Grove, Louise Genard, Sophie Parker, Marcella Jung, Agnes Gaughan, Theresa Bertram, Agatha Sparks, Grace Green, Kathryn Robertson, Myrtle Ryan and Jean Barnes.

Traditionally the group celebrated members birthdays and decorated their home in keeping with seasonal holidays as they occurred.

Mrs. Kathryn Smith, the

present president, has held the office for many years and now holds the longest club membership.

Prize winners at the celebratory included Mrs. Mabel Dehne, Mrs. Pauline Stephens, Mrs. Ann Giese, Mrs. Penny Ousley and 100 aces award went to Mrs. Emma Steinberg.

Other current members include Mrs. Pauline Stephens, secretary, Mrs. Mabel Lehne, Mrs. Emma Steinberg, Mrs. Penny Ousley, Mrs. Ann Giese, Mrs. Pauline Canham and Mrs. Mildred Robertson.

One of the treasured customs of the club is using a small metal goose, contributed by the late Mrs. Genard many years ago, for the 100 aces award. A large decorated cake topped with numerals 60 centered the table at the local restaurant for the 12:30 luncheon Thursday. Green tapers were placed at each end of the table with numeral shaped candles noting the members tally numbers as favors. Owl shaped toothpick holders were also presented the each one as a memento of the celebration with mint filled nut cups.

Thorngate plans spring events

Thorngate Garden Club members finalized plans for a visit to historical St. Genevieve, Mo., in May in lieu of the monthly meeting. When touring the area they will also lunch at the Ole Inn, it was announced.

President June Lux presided at the meeting hosted by Mrs. Helga Polley.

Roll call was answered by each one with a favorite flowering tree or bush.

Other club plans include an auction for June and a yard sale set for Aug. 7-8 at the home of Miss Belhel, 2300 Edison Ave., who is chairman of the fund raising project.

After business affairs, Miss Belhel gave a reading of "The Daffodils" by William Wadsworth Longfellow.

Mrs. Polley decorated the tables with spring floral arrangements and served luncheon on reed mats, which were later given as favors.

Others present were Mesdames Lillian Delps, Wanda Kincaid, Patricia Polley, Clara Schilling, Betty King, Beula Miller, Miss June Markham and a guest Mrs. Jane White.

Women's club scholarships

Mrs. Millie Meek and Mrs. Betty Caldwell reported at a meeting of the Nameoki Women's Club that music and art scholarships have been committed. Winners will be announced at a later date.

Mrs. Irma Taylor, president, conducted the business meeting. Mrs. Marian Shelton, program chairman, noted that officers will be installed at the May meeting.

She then introduced her daughter, Mrs. Lisa Fanning, who presented a program on ceramics.

Hostesses were Mrs. Caldwell, Miss Lucinda Hucks and Mrs. Mildred Hess.

Others present were Margaret Arnovitz, Ethel Beeler, Blanche Blake, Mildred Branding, Bernadine Cooley, Marie Graham, Doris Greve, Ella Mae Harsh, Ertha Johnson, Janette Krause, Claudia Leiby, Maxine Maas, Verna Stuart, Ella Wade, Hazel Towery and Mary Werner.

Anchorage Club fetes member

Ninety members and guests attended the monthly pot luck dinner of the Anchorage Senior Citizen Club held at the recreation hall of the housing facility, last week.

Special honors were accorded to Rose Schmitt in observance of her birthday and she was presented with the floral arrangement as a gift.

The invocation was given by the Rev. Leroy Filby and President Georgia Butler led the pledge of allegiance.

Guests introduced included David Morgan, Mr. and Mrs. Frank Kubelka and Mr. and Mrs. Albert Roberts.

Mr. Kubelka and Mr. Roberts discussed the Coalition for Political Honesty as the afternoon program.

Mrs. Butler announced a memorial was sent to the Heart Fund for the late Martha Rothstein, and a note of thanks sent to Linda Irwin for a flower donated to the club. The Easter lily was given to Lena Hammon who marked her 80th birthday.

The president announced the Health Fair will be held at the GC Township Hall from 11 a.m. to 7 p.m. on April 23.

The birthday and business session is scheduled for May 7, according to Mrs. Butler.

Press-Record foto fest '80

All photographers have a favorite picture. Whether it be the horseshoe game at the family reunion in July or a group of children taking advantage of an ice and snow covered hillside in January. Whatever your picture, it may be worth a prize! Find out by entering the **PRESS-RECORD'S FOTO-FEST '80**. It's the Press-Record's Second Annual Photography Contest exclusively for amateur photographers.

We're interested in your picture! Subject matter is unlimited and this year there are two categories: **black and white** and **color**! If you don't have a "favorite" you still have time to try to get one. Pictures will be accepted beginning Monday, April 28.

Last year's pictures were real prize winners — from a photographic and personal perspective. So dig through your photo albums and send us your favorite shots. You may win a prize. Prizes will be awarded as follows:

- ONE AWARD IN EACH CATEGORY**
- FIRST PLACE \$75 GIFT CERTIFICATE**
- SECOND PLACE \$50 GIFT CERTIFICATE**
- THIRD PLACE \$25 GIFT CERTIFICATE**
- PLUS...**
- \$10 CASH PRIZE WEEKLY IN EACH CATEGORY**

DETAILS AND RULES!

- All residents within the Press-Record circulation area may enter.
- Employees of the Press-Record and their immediate families are ineligible.
- **ONLY PRINTS MAY BE ENTERED.** The maximum print size is 8-by-10 inches.
- Each photographer may submit up to five entries in each category. However, each entry envelope may contain only one photograph. Photographs will be considered separately. Contestants may enter only their own work. Photographs are to be acknowledged by the photographer as his/her work and property.
- The photographers name, full address and telephone number must be attached to each photograph entry.
- Entries may be mailed to the Press-Record, 1815 Delmar Avenue or may be dropped off at the Press-Record or at Dacor Photo.
- By submitting entries a photographer grants reproduction rights to the Press-Record. Should his/her photograph win an award, the Press-Record holds unlimited, non-exclusive reproduction rights for non-advertising purposes.
- We will return your photographs if they are accompanied by a stamped, self-addressed envelope large enough to hold them. Entries without a stamped, self-addressed envelope will not be returned. They may be picked up at the Press-Record office until July 3, 1980. Care will be taken to return entries, but the Press-Record cannot accept responsibility for loss or damage.

Master plan delay also could delay second river lock

A band will be playing, flags will be flying, and it will be a festive day Friday when the replacement Lock and Dam 26 facilities are dedicated. But there may be clouds on the horizon, regional port planners say.

The latest quarterly report of the Port of Metropolitan St. Louis estimates that "once again, Lock and Dam 26 may be facing major construction problems—this time in the form of a 19-month extension proposal for the master plan study of the Mississippi River by the Upper Mississippi River Basin Commission.

"Members of the Port of Metropolitan St. Louis advisory council have gone on record with the commission in opposition to the extension.

"The council says the study, which is to investigate the need for a second lock at Lock and Dam 26 in addition to developing a total plan for water resource management, would not permit the most cost-effective continuous construction schedule for a two-lock system.

"In order for the construction to proceed

as scheduled, the U. S. Army Corps of Engineers must have funds by October 1983 for design of the second lock, if the second lock is to be built most cost effectively.

"The master plan study would not be completed until July 1983 if the 19-month extension is approved. This would allow the Corps to begin construction of the needed funding from Congress for a second lock.

"The time factor, in essence, could delay the time when the second lock could be funded because funding cannot be approved that quickly. The overall project already has been delayed significantly and has experienced major cost escalation (to more than a half-billion dollars).

"We hope Congress does not approve the extension, and instead makes the commission aware of the mandated completion date of January 1982. The degree of the impact on financial and developmental aspects was explained to the basin commission by the Corps of Engineers in February."

Silver lining needed for all the dark economic clouds

The sun was shining today and the temperature was warm; spring was making its presence felt in a big way. But there were so many depressing economic developments that it was hard to find a balance among positive and negative news reports.

Part of the bad news is that temporary auto and truck plant closings this week are idling 25,000 hourly workers. The good news is that the total is not as large as the 42,000 who were newly laid off last week. Altogether, autoworker layoffs nationally exceed 230,000.

With gasoline prices already gigantic and expected to rise, and with interest rates astronomically high, car purchases understandably are down. And the whole pattern is accentuating the economic recession in other fields as well, including a downturn in 1980 steel orders; about 20 percent of the steel market in this country is related to auto production.

Part of the problem involves car imports, estimated at more than 25 percent of the market at present. There is limited demand for medium and large U. S. autos due to the aforementioned fuel and interest costs, and there is an insufficient current supply of compact and subcompact cars.

Returning from the AFL-CIO Building and Construction Trades Department 1980 legislative conference, John Ubaudi of the local area, president of the Southwestern Illinois Building and Construction Trades Council, noted that high interest rates are having a devastating effect on the building trades, especially in home building.

At the same conference, AFL-CIO

President Lane Kirkland said, "Workers are aroused by policies which sacrifice their jobs in a fight against inflation that is misdirected, mismanaged and lacking in compassion for the real victims of inflation—workers, the poor, the elderly and the disadvantaged. They are tired of bearing the brunt of policies which contend that the way to fight inflation is to increase unemployment, boost gasoline and heating prices, raise interest and drive up the cost of housing."

St. Louis Federal Reserve Bank President Lawrence K. Roos said in a talk last week that continued high inflation is a deadly threat to citizens' economic well-being and to the survival of U. S. political and social institutions.

The prime lending rate generally has backed off to about 19½ percent after reaching 20 percent, and inflation continues at an 18 percent annual rate, although the rising unemployment and decreasing purchasing may reduce that figure a bit.

To offset high mortgage costs, a wider variety of financing methods is being tried by some realtors, but there are expected to be casualties among real estate firms as the market continues to contract, increasing number of auto dealership closings.

As we said, the sun was shining today and the clouds were economic clouds to darken the outlook. Of course, "it's always darkest before the dawn," so Quad-Cityans and other Americans are hopeful that some government good job and money news may be just ahead.

Madison and Macoupin counties have been approved for disaster aid due to the tornado effect this month.

Need faculty input in BAC study

To the Editor:

As a member of the Belleville Area College Blue Ribbon Citizens' Advisory Committee, your position to play a significant role in the future of Belleville Area College as available educational institution has been clarified.

Since its inception, your committee has met at least twice and has been mentioned in articles published in several newspapers.

Nowhere in any of the articles is there mention

made of faculty input to your committee, and yet things which directly involve the faculty, such as class size and number of classes taught, are described in every article.

Much of the (BAC) information has been inaccurate and should be clarified, both to your satisfaction and to the public's satisfaction. Confusion can only hurt the college and the community.

Dialogue between the Blue

Ribbon Committee and BAC faculty is urgently needed. As a member of the committee, please contact any BAC faculty about their programs, their class loads, or any other matters which directly affect faculty. Any or all of the faculty will be pleased to meet with you at your convenience to provide answers to your questions.

Group to fight Reye's Syndrome

To the Editor:

On Feb. 15, we lost our 14-year-old daughter to Reye's Syndrome.

On Sunday, Jan. 13, she woke up with a sore throat and a head cold. By the next day she had a slight fever. Thursday morning, she was feeling much better, but Thursday evening she started vomiting.

On Friday, Jan. 18, she was taken to the family doctor and she was given a shot for vomiting and an antibiotic shot. Then Friday night it developed into continuous vomiting.

She became listless and was taken to the hospital at about 10:20 p.m.

Shortly after arriving at the emergency room, she started to become combative, shouting and screaming. Her eyes were dilated and her arms and legs became very strong.

She was admitted and by 2:30 a.m. she was what appeared to be asleep. She was transferred to another

hospital on the afternoon of Feb. 19.

But Sunday morning, Jan. 20, her condition had become very critical. She was transferred to another hospital, where it was diagnosed as Reye's.

She never regained consciousness. We had never heard of this disease until after our daughter was in a coma and was very critical.

The syndrome affects the liver and brain.

The suddenness with which this disease hit our family has been almost unbearable.

I have taken on the responsibility of forming the South West Illinois Chapter, National Reye's Syndrome Foundation

With early diagnosis and supportive care, the chance of survival is greatly increased.

Reye's is a reportable disease in only 15 states,

reported to the Center for Disease Control.

Reye's Syndrome is now considered by some observers to be among the ten major causes of death in children. It was previously considered rare, but the number of cases recognized has increased.

For more information, or any group of concerned parents which would like for a speaker to speak at them, please contact me at R.R. 7, Box 164A, Edwardsville 62025. Please send a stamped, self-addressed envelope.

LUTHER SHAFER, President, South West Illinois Chapter, National Reye's Syndrome Foundation

\$45 CASH IS SOLEEN. See Meador, 1346C Nineteenth St., told police apartment had been kicked open and \$45 in cash had been stolen from a Bible.

To the Editor:

The purpose of this letter is to point out to the citizens of this community a situation which costs each of us money. Recently, I was informed the city government has made a review of the traffic problems of our city.

The stop sign installations of Granite City are nothing short of ridiculous. Why does a councilman deserve commendation whenever he is successful in having yet another stop sign erected in his ward?

All the transportation articles attest to the fact that

stopping and starting is a

fuel consuming waste of time. I am in complete agreement with obeying traffic laws.

Certain streets are major thoroughfares, but many have been converted into non-thoroughfares, just to please a constituent in the good old days when gasoline was 35 cents per gallon.

Isn't it time to demand that council persons responsible for things of this nature correct the same and be more aware of the needs of the people?

Spiritualist Church destroyed by fire

The United Spiritualist Church of Lake Erie, near Pontoon Beach, was destroyed by fire at 1:15 a.m. Friday.

The Lake Erie answered the call. The entire church was engulfed in flame.

The heat from the fire burned the power lines and

Illinois Power Co. was called to the scene.

The one-story frame structure that was converted from a house to a church, had been remodeled following a fire several months ago.

A spokesman for the church could not be reached. An arson investigation is being conducted.

News notes

Top U. S. labor officials will have a conference in Chicago to push for Illinois ratification of the women's rights amendments.

Complexity of administrative and instructional department structures and complex planning and changes at Belleville Area College, Paul Ash of Ernst and Whinney of the BAC board's steering committee Friday.

Many lower-level administrators represent management and also are members of the bargaining unit, he said.

Newsmen at Springfield say State Treasurer Jerome Costantino does not maintain a home there as required by the state constitution.

Voting in the March 1980 primary exceeded 2½ million, or 43.7 percent of those eligible.

Secretary of State Alan Dixon said Friday he earned \$70,565 last year and has a net worth of \$86,575, including a home, office building, hamburger franchise, travel bureau and resort lodge.

Madison and Macoupin counties have been approved for disaster aid due to the tornado effect this month.

The Nederlander group will present a 1980 Mississippi River concert season at SIUE this summer but officials say later seasons may depend on security, prices, the diversity of the concerts, site improvements and student discount policies.

A concert will be given at the Venice public schools at 10:15 a.m. Monday, April 28, by the Martin Luther King Concert and Marching Band, directed by Vernell Glasper and Miss Joan Brown.

Flood construction is under way for this year's Shrine circus parade here Tuesday, June 10, at 7:30 p.m.

An area of Illinois Route 31 will be closed to all traffic Friday from 12 noon to 3 p.m. to allow for a parade during the Lock and Dam 26 groundbreaking ceremony. Traffic will be diverted along Old Route 3 through East Alton.

Consumer activist Ralph Nader assailed reliance on nuclear power at a debate Friday night at SIUE. Dr. David Rossin, a nuclear engineer, said it is irresponsible to oppose an adequate supply of electricity.

Legislation to permit the county boards in Madison, St. Clair and Monroe to create mass transit districts to levy a sales tax was cleared for spring consideration at a Senate Rules Committee meeting last week.

Illinois Bell Telephone has been authorized to raise charges for some services and to increase those for others in an effort to balance its rates statewide.

Injury frequency among Madison County government employees is excessive and costly to the county, county officials said Thursday in reviewing safety and insurance records.

There were 210 injuries in a 12-month period ended in February 1979.

Bethany Gasparovic won and David Lipe and Cathy Clifton finished second and third in the 1980 Grubbs Junior High spelling bee.

LaVerne Lumpkin, 25, and Lester Lumpkin, 33, both of East St. Louis, were indicted for murder Friday by a St. Clair County grand jury in the shooting of Ricky Hilliard, 24, whose body was found March 8 near I-70 south of here. The brothers were arrested by Venice police on alleged weapons violations, and investigators said they fired their guns to the shooting.

Reservations are being taken at the Chamber of Commerce, 676-6400, for the Women's Division's Roaring '20s dinner dance Saturday, April 26, at Sunset Hills Country Club.

State Trooper Leo LaRocca arrested 32-year-old man at his apartment on Kathy Avenue, Thursday night, in Granite City. Police Department at 1:20 a.m. today, saying the man had the same name as a man sought by the FBI.

An FBI flyer showed they were looking for a man with the nickname "Jumpin' Jack" in connection with a Missouri incident. Granite City police had an outstanding battery warrant on the man LaRocca brought in, so he was lodged in jail.

Officers checked and found his name and age matched the man sought for the murder of an officer in Jefferson County, Mo. Authorities there were notified of the apprehension and said they would send an officer to pick up "Jumpin' Jack."

According to the FBI flyer, "Jack" was stopped for a routine traffic violation and allegedly shot the policeman in the head, killing him instantly. He also was sought for allegedly selling drugs in Missouri and had a prior drug sale conviction, the flyer indicated.

"Then Granite City officers checked further and discovered the prisoner's height and weight did not match the man sought in Missouri. His fingerprints were checked against the fingerprints in the FBI flyer and did not match."

So, the local man was released on cash bond on the battery warrant at 2:40 a.m. today and officers

about hours of operation.

Partney renews demand to view school health records

A demand that the Granite

City School District administration make financial information concerning health insurance plans to a board member and his wife

available to School Board Member David Partney by 9 a.m. tomorrow is under study by the attorney for the school board, Superintendent of Schools B. J. Davis.

Partney is seeking to learn whether Board Member Donald Stucke has received any money from the school district's health insurance program, since the district is self-insured.

He contends Stucke is automatically on the insurance plan, since Stucke's wife, Cecilia, is employed by the school district and the plan calls for employees and their spouses to be covered by health insurance.

Partney said there is a conflict of interest could exist, if Stucke had any health insurance claims paid by the district and he voted to approve them.

However, Partney has been denied access to the health program's financial records under a legal ruling from William Schooley.

Partney demands to inspect insurance payouts since Jan. 1, 1979, to either Cecilia or Donald Stucke, and notes the request is limited to financial data and is not a request to see any health information.

Partney hand-carried the letter to Davis and Dale C. Rea, assistant to the superintendent, at 11:45 a.m. Thursday. Rea is in charge of administering the school district's health insurance program.

Partney said the letter was written under a state law requiring that anyone demanding that the financial records notify the administration in writing 24 hours in advance, specifying the records to be inspected.

"This applies to John Q. Davis," Partney said.

Superintendent Davis told the Press-Record this morning that Partney's letter has been referred to Schooley. "We will follow whatever our attorney tells us to do. I expect a call this morning from Mr. Schooley," Davis concluded.

Steelers blank South for tourney crown

GRANITE CITY — The weather was near-perfect. The crowd spilled over the bleachers. A special air of excitement filled the park. Granite City North and Granite City South were about to decide the winner of the 1990 South Invitational tournament.

show played out by these city-splitting rivals was worthy of all the attention. The Steelers of North edged by the host Warriors on the strength of a pair of first inning runs and the sparkling pitching of Greg Faulkner.

Faulkner pitched seven innings, allowed but three hits, and struck out 11, prompting North coach Bob Stegemeier's enthusiastic praise.

"Greg was equal to the task tonight. This is maybe the best pitched game we've had all year. It's the kind we expected from the beginning."

But Faulkner's effort wasn't the only performance that entertained one of the largest gatherings of baseball spectators ever in Granite City.

On the mound for the Warriors, Darryl Harris worked almost equally as smooth as Faulkner. South's junior right-hander also went the distance. He held the Steelers' ruffed effort

to only six hits in a tournament where North had scored 20 runs in the first two games.

"Harris did a super job," Stegemeier said. "I told our guys before the game that he would be tough."

But then hot-hitting Dennis Page stroked the ball up the middle and even hotter-hitting Bob Batey joined as his North counterpart. "I

It's Lincoln—no, it's Flyers at South

GRANITE CITY — First it was East St. Louis Lincoln, then it was East St. Louis Senior.

First Lincoln was declared the winner here at the annual Granite City South Girls Invitational. But five minutes later, after a addition error was discovered, East St. Louis was declared the winner. Lincoln's Tigers dropped to second.

The Flyers eventually won the meet with 80 points, followed by Lincoln's 76, Hazelwood Central's 29, Belleville West 25, Collinsville and Edwardsville 15.

Belleville East 9, O'Fallon 4 and Alton 3. Granite City North, Granite City South, Cahokia, Triad and Wood River did not score.

The original final score was calculated as Lincoln 76, East St. Louis Senior 73. "I couldn't believe what I was hearing," said East St. Louis coach Pay May. "Our running score had us winning by three points going into the last race. And we won the last race, too."

When it was announced that Lincoln had won, the Tigers jumped up and down and carried the first place

plaque aloft for all to see. But after May and the rest of the Flyers' coaches challenged the final results and the error was discovered, it the East Side's turn to do the celebrating.

"We've been waiting for this moment for a long time," said May. "It seems like Lincoln always wins the invitationals and we beat them in the dual meets. But we finally caught them in an invitational."

The dominance of the two East St. Louis schools was overwhelming at Saturday's meet. The two combined for

156 total points. The other eight schools combined for a total of 100 points.

East St. Louis's Gunner won the 100 meter dash, the 400 meter dash and ran the anchor leg on the Flyers' winning 400 and 1600 meter relay teams.

Lincoln's Jackie Joyner was the winner of the 800 meter run in a time of 2:18.2.

The next scheduled action for the Granite City North and South girls teams is Tuesday in the annual Madison County Meet at Southern Illinois University at Edwardsville's Cougar Field beginning at 4 p.m.

Potter wins feature race at T-C Speedway

By JEFF EAVES

GRANITE CITY — The 1990 late model and sportsman stock car racing season got off to an excellent start Saturday night at the Tri-City Speedway.

Gary Potter of St. Charles, Mo. started on the fourth row inside and overtook Ron Fisher of Centralia, Ill., on lap 21 of the 25 lap feature to win his first feature ever in a late model. "Wild Man" Kenny Shrum started on the eighth row outside and finished second behind Potter.

A St. Charles Co., Mo., deputy sheriff, Shrum is the

oldest driver racing at the speedway. He was impressive for his first outing after many modified championships with the Allied Auto Racing Association, and various off-track tracks around the St. Louis area. Shrum said he is planning on winning the championship for the late models this year at the speedway.

Kevin Gundaker of St. Louis finished third in the feature event followed by 1979 track champion Dick Taylor of Springfield, Ron Fisher, C. C. Corbin of E. Alton, Ill., Mike Barbeau of O'Fallon, Mo., and Bobby Regot of St. Charles, Mo.

The first heat was won by Ron Fisher followed by Doug McCammon of Palestine, Ill., and Mike Cooksey of Centralia, Ill. Kevin Gundaker won the second heat over Mike Barbeau, and Dick Taylor and Fred Statler of Overland, Mo., won the third heat, over Ivan Long of Pittsfield, Ill., and Clark Roach of St. Louis. Mike Barbeau won the trophy dash over Kevin Gundaker, Ron Fisher and Doug McCammon.

In the sportsman division, 1979 track champion Rob Jones of Creve Coeur, Mo., was there, but he was not driving his Camaro as usual. His father Gene, a 54-year

old welder, won the 15-lap feature in his son's car. Rob will be driving in the late model division this year.

Finishing second behind Jones was Paul Humphrey Sr., of Dupo, Ill., and Randy Weeks of Granite City, who did a fine job in his Chevy Nova. He started way back in the field, slowly but smoothly working his way to finish in the third position. Finishing fourth was John Wolfmeier of Arnold, Mo., followed by Steve Theibert of Virginia, Ill., and Odie Hayes of Collinsville, Ill.

Late model and sportsman racing will begin at 7:30 p.m. with warmups at 7 p.m. next Saturday night.

South is beaten by Eagles in tournament

South Tourney

for the Press-Record
GRANITE CITY — Baseball around Greene County, Ark., isn't all that good. At least Golden Eagles coach Tommy Fowler doesn't think it is. The only time his Eagles played teams as good as Granite City's Warriors is when the Eagles reached state tournament level, he said.

That's why Fowler was smiling from ear to ear Saturday after his club had

taken advantage of some early-inning fielding lapses by South to beat the Warriors 4-2. They had traveled North for a baseball lesson and still managed to come away with a victory. Bring on that state tournament.

The Eagles broke on top in the first inning when with two out, starting pitcher Randy Cann walked right fielder Shane Palmer and designated hitter C.D. Mitchell. Left fielder Larry Bateman singled to load the bases, but it looked like the Warriors would get out of unscathed when Tommy Grooms bounced one to

Mark Clark. South's third baseman threw the ball in the dirt, though, and it skipped by first baseman Rick Daily allowing two unearned runs to score.

The Eagles made it 4-0 in the second inning. Cann walked pitcher Wendell Rogers and Johnny McCarroll stroked a single up the middle putting runners on first and second. Shortstop Kenny Finch hit a liner to left, scoring Rogers. The Warriors turned Finch's single into a two-run play, however, when left fielder Jim Lewis threw home in an attempt to get Rogers.

McCarroll made a big turn at third and catcher Paul Zimmer tried to pick him off. It would have been a nifty play if the throw hadn't been off. Warrior third baseman Clark. The third baseman dropped the ball, allowing McCarroll to score.

Meanwhile, soph pitcher Wendell Rogers was having little trouble disposing of the Warriors. He threw a steady diet of breaking pitches.

Double plays in the third and fourth innings helped keep South scoreless until the sixth. Fleet-footed Kevin Sykes beat out a slow roller

Trojans finish third

REDBUD — The Freeburg Midgets won nearly every running event here Saturday in the annual Red Bud Invitational, but it wasn't enough. DuQuoin showed superior depth and had enough second and third places to come away with the championship. The field events were Freeburg's undoing. DuQuoin cashed in on 10 places, while the Midgets were getting only one.

DuQuoin finished with 79 points, Freeburg 57, Madison finished a respectable third

with 35 points. Next in line were Nashville, Lebanon, Wesclin, Breese Mater Dei, Columbia, Marissa, Dupo, Red Bud and St. Paul of Highland.

In the girls meet held at the same time, Madison came up short against Columbia, finishing second. The Eagles won 56½-37. Right behind was Freeburg with 36.

Madison Troy Butler continued to show why he is one of the area's premier leapers. He was a double-

winner, taking both the long jump and the triple jump. Butler won the long jump with a distance of 6.92 meters. Teammate Charles Dixon was second at 6.17 meters.

In the triple jump, Butler had a leap of 13.00 meters. Woods of DuQuoin was second at 12.78 meters.

Dixon was almost a triple-jump winner. But his bid for the 200 meter dash was snuffed by Freeburg's Mark Hatfield. Even though Butler had a time of 23.0 seconds, it wasn't enough. Hatfield put in a 22.3.

Madison's Darnell Dixon was also a runnerup to Hatfield in the 100 meter dash. Dixon's 11.3 seconds wasn't enough to beat Hatfield's 11.0. Dixon was fifth in 23.5.

In the 800 meter relay, Madison's squad finished third in a time of 1:36.8. Freeburg won it in 1:34.0. DuQuoin was second in 1:34.8.

In the 400 meter relay, the Trojans finished fourth in a time of 46.5 seconds. Freeburg was again first, this time in 44.1 seconds. DuQuoin was second at 44.9 and Columbia was third in 45.4.

The Trojans finished fourth in the 1600 meter relay. Their time of 3:36.1 was beaten by Freeburg's 3:20.6, DuQuoin's 3:32.6 and Madison's 3:35.4.

Madison received yet another point from its 2500 meter relay team. The Trojans finished fifth in a

time of 8:46.4. Freeburg made it a clean sweep of the relays by taking first in a time of 8:20.6. DuQuoin got another second place from its squad which ran the distance in a time of 8:27.3. Columbia was third in 8:33.4 and Breese Mater Dei was fourth in 8:36.5.

Besides the performances of Butler and Dixon, there was only one other place-winner in the field events for the Trojans. Brown finished fourth in the discus throw with a toss of 37.59 meters.

In the girls meet, Madison's 800 meter relay team of Borney, Smith, MacNeil and Ware won their event in a time of 1:52.0. Columbia was second in 1:52.7.

Madison's Smith was the winner of the 200 meter dash in a time of 26.5 seconds. Hick of Waterloo was second in 13.0.

The Trojans' 400 meter relay team placed second in a time of 53.4 seconds. Columbia was first in 51.5. Madison 1600 meter relay was third in a time of 4:27.9. Freeburg was first at 4:22.6, followed by Red Bud in 4:25.7.

Clay was third in the long jump for Madison with a distance of 4.69 meters. DuQuoin was first at 4.96 meters.

In the shot put, Williams of Madison was third. Parker of Madison was fifth in the shot put. Lovett was fifth in the shot put.

1600 relay wins for South

GRANITE CITY — The Granite City South girls track team ran its dual record to 2-0 here Thursday with a come-from-behind victory over Edwardsville 60-59 in Gateway East Conference action.

South needed a win from its 1600 meter (mile) relay team in the last event of the meet for a win. The four-some of Mary Romine, Chris Kessler, Sue Shania and Judy Tudor came through in a time of 4:44. Edwardsville's time was 5:17.

South's 800 meter relay team also won. Gina Graham, Missy Collins, Trish Skinner and Chris Kessler posted a time of 2:03, a full second ahead of Edwardsville.

Graham, a freshman, was injured during the meet, ended running in the leadoff position in the 800 meter relay, the 800 meter relay and was the winner in the 100 meter dash in a time of 13.8 seconds. Teammate Callis was third at 14.3.

South's 400 meter relay team was second in a time of 35.5 seconds. Other members were Collins, Trish Konkovich and Kessler. Edwardsville's time was 54.0. The Warriors' 800 meter relay squad of Graham, Julie Ross, Tudor and Konkovich was also second, with a 2:02. Edwardsville's time was 1:57.

Mary Romine of South was the winner of the 200 meter run in 33:35 minutes. Olive of Edwardsville won the 200 meter low hurdles in 35.0. Denise Goode of south was second in 35.2. The team's Chris Moser was third at 35.3.

In the 800 meter run, South got a third runner. Julie of Edwardsville was second in a time of 2:55. Hyten (2:34.5) and Holcom (2:50) of Edwardsville were first and second.

Trish Skinner of South won the 400 meter dash in 65.7 seconds. Blayhouse of Edwardsville was second in 1:15.

The 100 low hurdles were

won by Ahart of Edwardsville in 16.4 seconds. Moser and Goode ran two-three for South.

Debbie Burnett of South was second in the 1600 meter run in 6:09.0. Olive was the winner for Edwardsville in 6:04.0.

Skinner of South was a triple winner when she took first in the 200 meter dash in a time of 30.2 seconds and also won the long jump. Kathy Britz of South was second in the 200 at 30.7. Skinner's jump was 15'4".

Skinner was also second in the 200 meter dash. She was second to Foe of Edwardsville in both the shot put and the discus throw. Because of wet grounds, there was no high jump competition.

North edges Maroons

GRANITE CITY — The Granite City North boys track team won a dual meet from Belleville West here Friday — but just barely.

North won eight of the events from the Maroons. But they lost the last event of the day, the mile relay, accounting for the closeness of the final score.

West won that mile relay in a time of 3:30.8.

North's Kevin Buchanan

was the winner of the 220 yard dash in a time of 23.5 seconds. Jon Bunch of the Steelers was the winner of the 880 yard run in a time of 2:04.5.

In the 880 yard relay, North's squad came out on top with a winning time of 1:35.9. North also had the winning time in the two-mile relay. The Steelers ran the race in a time of 8:42.0.

North won four of the six

field events. Steeler Mike York, one of the best leapers in the area, was a double-winner, claiming first place in both the long jump and the triple jump.

York's leap in the long jump was 20 feet, 4½ inches. His winning distance in the triple jump was 40 feet.

Mike Robinson won his second straight pole vault competition. His winning height was 11 feet.

Jackson of North was also a winner, taking the shot put with a throw of 41 feet.

Snares of Belleville West was the winner of the 100 yard dash in a time of 10.6 seconds, a particularly fast time for North's track.

West's Cook was the winner of the 440 yard run in a time of 53.2 seconds. He also won the two mile run in a time of 10:17.5.

Barnes of west was the winner of the mile run in 4:55.7.

In the 110 yard high hurdles, West Maroon Schaefer was the winner in a time of 15.64 seconds. He also was the first place finisher in the 330 low hurdles in a time of 4:55.7.

39.3 seconds.

West's 440 yard relay team won their event in a time of 44.8 seconds. Its mile relay squad had a time of 3:30.8.

Gibson of West was the winner of the high jump with a leap of 6'4". Jones of West was the winner of the discus throw with a toss of 127'11".

The next action for the North Steelers will be Tuesday at Southern Illinois University-Edwardsville in the annual Madison County Meet beginning at 4 p.m.

Devils win first

VENICE — The Venice Red Devils baseball team came up with its first victory of the season here Thursday, downing Metro-East Lutheran High 11-10.

Venice got its win the hard way, scoring four runs in the bottom of the seventh.

Venice's John Grant drove in the tying and winning runs with a double to left-centerfield. Grant was two-for-two on the day.

Venice spotted Metro-East's Knights a 7-1 lead going into the bottom of the third inning. After the Red Devils scored twice in the third, Metro-East tallied one in the fourth and two in the fifth, making it 10-3.

Back came the Devils, scoring four times in the sixth and four in the seventh,

Hard times for visitors

South Tourney

By ROB REHG
for the Press-Record

GRANITE CITY — A bit of strategy by St. Mary's Vikings coach Rich Durbin backfired and the hard-hitting Granite City North Steelers pounded out 10 hits Saturday afternoon enroute to a 9-5 win over the Paducah team in the South Round Robin Baseball Tournament.

North was leading 2-0 in the fifth inning with runners on second and third and two outs when Durbin decided to intentionally walk clean-up hitter Bob Ford to load the bases. Ford had previously walked and singled. And the fifth hitter, Dan Patterson, had struck out his last time up. Durbin figured Patterson for an easy mark and

decided to take his chances with him.

The second baseman burned the Vikings with a two-run double and Durbin went out to talk to pitcher Mike McMinn. Durbin made his second mistake by leaving McMinn in the game. Brian Patterson followed with a two-run single and North was on its way to an easy win.

"I stayed with my pitcher one pitch too long," Durbin said. "He said he felt strong, so I left him in. That single really hurt."

Rob Chapman followed with a run-scoring single off relief pitcher Dennis Quigley. Starting pitcher Keith Burton picked up the win for the Steelers. He started out with six strikeouts in five innings, but was pulled in the seventh after giving up three runs

making it 9-5.

Quigley, who started in centerfield before bailing McMinn out, put the Vikings on the scoreboard with a leadoff homer in the fifth. Second baseman Chris Hicks led off the sixth with a homer and it became obvious that Burton was firing as the next two men fled out deep to center.

"We wouldn't have stayed with Burton as long as we did if our lead hadn't been so big," Steeler coach Bob Stegmeyer said.

After the Vikings scored three times in the seventh, giving the game some appearance of closeness, Ron Pinkston relieved Burton and picked up the save.

The Patterson boys were the big run-producers for the Steelers. Dan had a double and single for three RBIs and

Brian was one-for-four with two RBIs.

Leadoff hitter Mike Robertson had a single, a double and a triple and scored twice. Shortstop Bob Bates had North's only other extra-base hit with a third inning double.

Both Brian Patterson and Viking catcher Howard Quigley had field days from behind the plate, throwing out five potential base-stealers between them.

Quigley threw out three Steelers and Patterson, who has been sharing the catching duties with freshman Darren DePew, gunned down two runners in the second inning.

"Brian had a real good day throwing the ball," Stegmeyer said. "But we'll just have to keep playing both guys for a while and see what happens."

First round good to Steelers, Warriors

South Tourney

By KEVIN ALLEN
of the Press-Record

GRANITE CITY — After the opening round of the Granite City South Invitational baseball tournament Friday evening, some trends that would follow through during the remainder of the competition were firmly established.

All four teams were in action. Granite City North took on Greene Co. Tech of Arkansas in the first game. The Steelers from North walloped the southern visitors with a 10-1 win.

In the second game, Granite City South was an unfriendly host to St. Mary's of Paducah, Ky., as South sheeked past the Vikings, 10-9.

Steelers warmed up with two runs in each of the first two innings. Mike Robertson scored for North in the first after a single and two Greene Co. errors pushed him around the bases. In the second, Rick Buer rapped a home run to left, giving North all the runs it needed.

Steeler starting pitcher Steve Doty went the distance, allowing only two hits, and unearned runs in the seventh, when Greene Co.'s C.D. Mitchell reached first on Bob Bates's error, went to second on a wild pitch, and scored on an infield out.

According to Steeler coach Bob Stegmeyer, it was the first time the Steelers had put together such a potent attack with such strong pitching.

"Doty was a pitcher tonight instead of a thrower," Stegmeyer said. "He changed speeds well and that made his fast ball look even better. He had a good command of all his pitches. He found out what we've been telling him all along. He's got enough defense out there so that he doesn't have to strike out ten batters a game."

Not to mention enough offense. The Steelers scored five runs in the fourth inning to tie the game, but added another run in the fifth and two more in the sixth anyway.

In the second game of the evening South's Warriors had a tougher outing. The game proceeded well for the Warriors through the first five innings. South scored once in the first then erupted for five runs on three hits and two St. Mary's errors.

But the six-run lead was erased by the Vikings in the fifth, when St. Mary's Eric

Rust delivered the first of two grand slam home runs he would produce in the tournament. Rust's blast accounted for four of the Vikings' six runs in the inning and set up the wild finish to the game.

South came back in the sixth to score three runs. Kevin Sykes scored on Hondo Ambuehl's walk with the bases loaded. Mark Clark came home on a Viking wild pitch. And

sophomore Rick Daily delivered a pinch-hit RBI, driving Rich Cope home from third with an infield out.

The Warrior outburst tied the game after St. Mary's had scored three times in their half of the sixth.

On the third out of the seventh when Sykes reached first after being struck by a Viking pitch. He was wild-pitched to second, then scored on a two-out single by Clark that fell into short left.

Sports grant given to SIU-E

The program, which will run through the summer months, is a joint effort of the National Collegiate Athletic Association (NCAA), the Community Services Administration and the University.

competition and exposure to the benefits of high education.

Additional information on the program may be obtained by contacting DeMars, Box 128, at the University, or by telephoning 618-692-2871. East St. Louis residents may call Cornelius Perry, East St. Louis, 618-397-2791.

Henrich sparks Redbirds

BLOOMINGTON — Granite Cityan Tom Henrich was the hitting star for Illinois State University's baseball team last week, as the Redbirds split a series with Eastern Illinois.

In the first doubleheader, State beat EIU 11-6 and dropped the nightcap 10-5.

The following day, Eastern edged State 3-4, but dropped the second game 12-6.

Henrich had nine hits in the series and a grand slam home run in the last game to help pitcher Dave Arvola to his first victory in more than a year.

Coolidge wins three duals

GRANITE CITY — The Coolidge Junior High track teams (boys 7th and 8th grade and girls) swept three meets from Grigsby Junior High here Thursday.

In the girls meet, Coolidge walloped Grigsby 74-26. In the seventh grade boys meet it was Coolidge 78, Grigsby 40. The Coolidge eighth graders made it a clean sweep when they beat Grigsby 68-50.

Peters' time of 5:12 in the mile is a Grigsby school record.

In junior high baseball action Thursday at Grigsby, the host Gators beat Madison 14-2. The winning pitcher was Dave McMichael. He had three hits for the winners, including a single and triple and a home run. Brent McKinney and Keith Cooley had two hits each for Grigsby.

So dominant were Coolidge's teams in the meets, that Grigsby managed only 14 first places in the three combined.

Grigsby girls getting first were Paula Rozucki in the 440 and Michelle Jensen in the high jump. In the seventh grade boys meet, Curt Davenport of Madison won three of his teammates on the Illinois State University track team combined to the pole vault and the 800 relay team of Burgess, Baine, Hyalla and Bernaix.

Eight grade winners included Jackie Young in the 800, Ed Thomas in the 440, John Peters in the mile run, Hermie Schoeber in the shot put and the discus throw, and Hermie Schoeber ran the 800 relay team of Schoeber, Peters, Young and Thomas.

Farrow to compete in tennis classic

EDWARDSVILLE — Juan Farrow, three-time All-American tennis player at Southern Illinois University at Edwardsville, has been invited to participate in the prestigious All-American Tennis Championships scheduled at San Diego, Calif., May 2-4.

Farrow, a senior at SIUE and a resident of St. Louis where he played his prep tennis at Summer High, is one in a draw of 32 picked by the United States Intercollegiate Tennis Coaches Association. Back to defend his championship at San Diego

will be Kevin Curren of the University of Texas, the defending NCAA Division I champion. Last year, however, Farrow extended Curren to the limit in a meet down in Texas before bowing in a tough, three-setter, 3-6, 7-5 and 6-4.

Farrow in his spectacular tennis career at SIUE has won two NCAA Division II crowns and finished second last year in Arkansas to his teammate, Arjun Fernando. Among the many honors Farrow has won is a berth on the current United States Junior Davis Cup team.

The competition at San Diego, against largely NCAA Division I players, should tend to sharpen Farrow's game for the finals of the NCAA Division II tournament which will be played at SIUE-Edwardsville in mid-May in a three-day meet.

The skillful and hard-serving Farrow is favored to regain his NCAA Division II crown and then team with Hugo Nunez to repeat as national doubles champions. He and Fernando won the NCAA Division II doubles title last year in Arkansas.

Cougars drop twinbill to EIU

EDWARDSVILLE — The SIUE-Edwardsville baseball Cougars saw their record dip to 15-19 on the season here Sunday when they lost both games of a doubleheader to Eastern Illinois University, 6-2 and 8-3.

Sunday's two losses came on the heels of a doubleheader split by the two teams at Cougar Field Saturday. SIUE won the first game 5-3, but Eastern's

Panthers came back to win the second game 5-2.

In Sunday's games, it appeared that SIUE-E might have a chance of pulling out the second game when it scored two runs in the bottom of the fifth inning to take a 3-2 lead. But the bottom fell out of the Cougars' hopes in the next frame. Eastern scored six times and put the

game out of reach.

In the first game, Eastern took a 2-0 lead in the first inning, only to see SIUE-E tie the score in the fourth. Cougar first baseman Roger Thomas reached on an error by the Eastern second baseman Designated hitter Tom Ritzheimer walked as did second baseman Ed Kopf. Right fielder Rich

Kantner popped out to the shortstop who threw to the second baseman, who tagged out Ritzheimer. Center fielder George Vogel then tripled to right field, scoring Thomas and Kopf.

But Eastern came back with four runs in the seventh to ice it away. The loser in the second game was John Mueller. The winner was Randy Weibel.

In the first game, EIU held a 2-1 lead going into the bottom of the fifth. Then Vogel walked leading off for SIUE-E. Shortstop Larry Madden singled, sending Vogel to third. Kopf then hit a sacrifice fly, scoring Vogel. Madden then stole second and advanced to third when leftfielder Tom Burg grounded out to the shortstop. Madden scored on a passed ball.

The loser in the second game was Ritzheimer. Ken Westray got the win for Eastern.

Granite Cityan Tom Greco started at second base for the Cougars in the second game Sunday and was 0-for-3.

—Steelers—

(Continued from page 17)

Catcher Darren DeFew. The strategy was designed to pass the junior Patterson in favor of the less experienced DeFew.

DeFew responded to the pressure situation by poking a low pitch into center field, scoring both Page and Lewis. The clutch hit gave North a two-run lead, enough to win the game, and earned DeFew the respect of South's veteran coach.

"We put him in a tough situation," Champion said, "and the freshman catcher drove in the winners. He's gonna be around for a long time."

From then on both Faulkner and Harris were stingy. "It was a pitcher's duel in the best sense of the phrase. Both hurlers continually denied the opposition runs—even faced with several potentially dangerous situations."

"We had our opportunities

to come back," Champion said. But the Steeler defense became sharper, it seemed, with runners on base.

In the Warrior sixth inning for instance, the Steelers were in a jam when South had runners at first and third with two outs. Warrior Jim Lewis sent a grounder headed for center, but Dan Patterson knocked the ball down, gathered it up, and threw out Lewis to preserve the lead.

Again in the seventh, the Warriors had two on with two out, but Faulkner ended the game when he got Kevin

Sykes on a fly to right field. The win completed North's three game sweep of the tournament, and gave South a 2-1 record for the weekend of baseball. But in the continuing saga of the North-South rivalry, this was just the beginning. The two teams will meet three times during a forthcoming seven-day span.

"This is a big one," Stogener said. "But what really counts is the conference. When these two teams play what's already happened doesn't matter much."

Granite Cityan Tom Greco started at second base for the Cougars in the second game Sunday and was 0-for-3.

Stop Sign.

It's a fact that more than 9 out of every 10 people looking for a home recognize the familiar brown and gold CENTURY 21 sign. It is so widely recognized that every day over 1,600 homes are sold by CENTURY 21 people from coast to coast. In 1979 alone, that resulted in a staggering \$73,000 closings.

Wouldn't you rather list your house with the organization that more people have put their trust in?

Public Notice 34

Notice for Publication
TO: UNKNOWN FATHER
OF TAUNYA BOYLES, A
MINOR 80-J-149 and All
Whom It May Concern:

Take notice that on the
14th day of April, 1980 a
petition was filed under the
Juvenile Court Act by
Assistant State's Attorney
David A. Virgin in the Circuit
Court of Madison County
entitled "In the interest of
TAUNYA BOYLES, a
minor", and that in Circuit
courtroom at ED-

WARDSVILLE on the 25th
day of APRIL at the hour of
1:30 p.m. or as soon
thereafter as this cause may
be heard, an adjudicatory
hearing will be held upon the
petition to have the child
declared to be a ward of the
court under that Act. The
court has authority in this
proceeding to take from you
the custody and guar-

dianship of the minor, and to
appoint a guardian with
power to consent to adoption
of the minor.

Now, unless you appear at
the hearing and show cause
against the petition, the
petition may be taken for
confessed as against you and
each of you, and an order,
judgment or decree entered.

Independent Representative

Notice is given of the death
of Mary A. Derner. Letters of
office were issued on April 3,
1980 to Frank Derner as
independent representative,
whose attorney is Nick D.
Vasileff, 404 Madison Ave.,
Madison, Ill.

Notice is given to Helen
Hylaky, Mary Pihir, Rose
Adomite, Frank Dusek,
Edwards Dusek, Mary
Zumer, heirs of Christina
Vokas, unknown heirs and to
all persons to whom this may
concern, heirs or legatees
who are named in a petition,
filed in the above proceeding
to probate a will and whose
names or addresses are not
stated in the petition that an
order was entered by the
court on April 3, 1980 admit-
ting the will to probate.
Within 42 days after the
effective date of the original
order of admission you may
file a petition with the court
to require proof of the will by
testimony of the witnesses to
the will in open court or other
evidence, as provided in
Section 6-21 of the Probate
Act (Ill. Rev. Stat., ch. 110½,
sec. 6-21). You also have the
right under Section 6-1 of the
Probate Act (Ill. Rev. Stat.,
ch. 110½, sec. 6-1) to contest
the validity of the will by
filing a petition with the
court within 6 months after
admission of the will to probate.

The estate will be ad-
ministered without court
supervision, unless under
Section 24-4 (Ill. Rev. Stat.,
ch. 110½, sec. 24-4) of the
probate Act any interested
person terminates in-
dependent administration at
any time by mailing or

delivering a petition to
terminate to the clerk.

Claims against the estate
may be filed in the office of
the Clerk of this Court at
County Court House,
Edwardsville, Illinois, or
with the representative, or
both, within 6 months from
the date of issuance of letters
and any claim not filed
within that period is barred.
Copies of a claim filed with
the Clerk must be mailed or
delivered to the representa-
tive and to the attorney
within 10 days after it had
been filed.

2nd annual senior citizen Olympics

Senior athletes of this area will be competing in their own brand of Olympics again this year.

Sponsored by Southern Illinois University at Edwardsville, the Southwestern Illinois Area Agency on Aging, the Illinois Department on Aging, and various other individuals and agencies, the second annual Regional Senior Olympics of Southwestern Illinois will be held at the SIUE campus May 14 and 15.

Activities will begin at 9 a.m. each day and continue throughout most of the day.

Admission for spectators is free, and the public is invited to attend.

The entry fee for participants residing in the counties of St. Clair, Madison, Monroe, Bond, Clinton, Randolph, Clark and Washington is \$3. For out-of-

region participants, the entry fee is \$4.

Deadline for registration is May 2 at 5 p.m.

Senior citizens 55 years of age and older are being encouraged to enter one or more of the following events: 650-yard dash, horseshoes, discus throw, half-mile sprint bike race, shot put, basketball free throw, 100-yard dash.

Standing long jump, bike race, one-mile run, 25-yard freestyle swim, 100-yard medley swim event, 50-yard freestyle swim.

50-yard breaststroke, 50-yard freestyle, 200-yard free style swim, and bowling.

Track and field events will be held on the SIUE campus May 14.

Bowling is scheduled at the University Center recreation center the following day, and swimming events will be held at the Edwardsville YMCA.

Senior citizens may enter no more than five events on a "single day" and no more than a total of seven events during the two days.

Competitors will be grouped in these age categories: 55-59, 60-64, 65-69, and 70 and over.

The top three male and female finishers in each event in each age category will be awarded gold, silver and bronze medals.

Everyone entering the Olympics will receive a Senior Olympics patch.

Additional information and entry forms may be obtained at the nearest senior citizen center. In the event of inclement weather, senior citizens planning to attend the Olympics may listen to area radio stations for an announcement or may telephone the University Information Center at 692-2739 for information concerning the possible cancellation of the Olympic events.

Volunteers are needed to help in the operation of the Senior Olympics.

Clyde Fisher, assistant director of the Office of Continuing Education, said persons are needed to assist in keeping and recording scores, timing, and acting as judges for the events.

The volunteers should have an interest in older people and sports activities, Fisher added.

Helpers are needed both days and for all events.

Additional information may be obtained by telephoning Fisher at the Office of Continuing Education, 692-3210.
